RE: Police Department Update – June, 2026

The following is a summary highlighting some of the Medina Police Department activity in June, 2026.

Follow up:

Nothing to report.

Medina Police Bike Patrol Program:

In addition to the three pedal bicycles, the Medina Police Department has added two e-bikes to our fleet! Officers have had multiple opportunities to utilize the speed and power of the new e-bikes and have found them to be a great supplement to the pedal bicycles.

Public Safety Grant Award:

The Medina Police Department was awarded \$360,000 over a two-year grant period through the Public Safety Funding Program established by Engrossed Substitute House Bill 2015. Following the implementation of the

municipal sales tax, this statewide public safety funding law provides grant funds for the hiring and training of new officers to the Washington State law enforcement workforce. These funds will allow the Medina Police Department to hire an additional entry-level police officer to increase our level of service to our communities.

Marine Patrol:

Mercer Island Marine Patrol will be focusing their active patrolling efforts on residential shorelines for boating safety and incident response throughout the summertime months. With marine patrol services no longer needed for Seafair activities around Mercer Island, the Marine Patrol unit has greatly increased their availability to show a presence in the surrounding shoreline areas.
