CC-2022-109	GENERAL	COMPLETED	Rob Kilmer	8232 OVERLAKE DR W	<p>Description: Report of groundwater issues coming from uphill of the owner's property.</p> <p>Action Taken: Spoke to property owner of 8232 Overlake Drive West and then investigated the area to look for where the water might be originating.</p> <p>See attached note for further details.</p>
CC-2022-110	CAP VIOLATION	COMPLETED	Rob Kilmer	1010 84TH AVE NE	<p>Description: Observed workers sand-blasting walkways without dust control in place.</p> <p>Action Taken: Spoke to workers and contacted project Agent to require them to use water to prevent dust from leaving jobsite.</p>
CC-2022-111	GENERAL	COMPLETED	Rob Kilmer	8001 NE 8TH ST	<p>Description: Observed dump-truck trailer parked along Right of Way on shoulder gravel strip.</p> <p>Action Taken: Investigated and determined that the trailer was part of the ongoing public utilities work on NE 10th Street. No further action taken.</p>
CC-2022-112	STOP WORK ORDER	COMPLETED	Rob Kilmer	619 84TH AVE NE	<p>Description: Construction related vehicles parked partially in right-of-way.</p> <p>Action Taken: This site has had previous informal and formal warnings so a Stop Work Order was issued. Project owners were required to provide written statements agreeing to how they would resolve parking issues moving forward.</p>
CC-2022-113	GENERAL	COMPLETED	Rob Kilmer	8245 NE 8TH ST	<p>Description: Report of water coming from ground on property.</p> <p>Action Taken: Visited property and investigated the area to determine the water's source. Homeowner was not on site and could not be reached by phone. Left card at the door and emailed City Hall staff to communicate findings. On 9/12/22 homeowners had a repair crew fixing the issue. Cause of groundwater was determined to be an on-site water line rupture.</p>
