November 8, 2021

Subject: Contract Authorizing 77th AVE NE Stormwater Repair Phase 1

Category: Consent

Staff Contact: Ryan Osada, Public Works Director

Summary

This project consists of construction for approximately 390 feet of storm drainage collection and conveyance improvements on 77th Avenue NE and near 1034 Evergreen Point Road. Work includes, but is not limited to, the removal of 400 linear feet of existing storm drainpipe and associated catch basins, sawcutting and removal of asphalt concrete pavement, removal and replacement of 155 linear feet of concrete curb and gutter, excavation, and the installation of 8-inch, 12-inch, and 15-inch storm drainpipe and associated catch basins, miscellaneous surface restoration, traffic control, erosion control, utility conflict resolution, and associated work.
