**Subject:** NE 12<sup>th</sup> Street Landscape Options

**Category:** City Business

**Staff Contact:** Ryan Osada, Public Works Director

---

### **Summary**

At the January 13, 2025 meeting, a landscaping and irrigation plan was presented to City Council. The landscape design was drafted by Kenneth Philp Landscape Architects and incorporated seasonal colors and right-of-way appropriate plantings. City Council took comments from the public and directed staff to come back with three additional options which includes costs for irrigation and maintenance. They also directed staff to present a map of current ROW plantings that the city maintains.

This project meets and supports Council's priorities 2 & 5:

1. Financial Stability and Accountability
2. Quality Infrastructure
3. Efficient and Effective Government
4. Public Safety and Health
5. Neighborhood Character
