Subject: NE 12th Street Project Update

Category: City Council Business

Staff Contact: Ryan Osada, Public Works Director

Summary

The NE 12th Street project originally started as an ADA Sidewalk project. In 2021, Council suggested undergrounding the overhead lines as part of the project. We finalized the plans and specifications early in 2023 and went out for bid. Unfortunately, the bids came in approximately 40% over budget. At the June council meeting, there was direction to throw-out all bids and revise the project to remove undergrounding. This discussion will be to review the impact of moving the six (6) of the existing poles behind the new sidewalk.
