### SUMMARY

This is an approval of the payroll certification for the City of Mercer Island for the period from May 15, 2021 through May 28, 2021 in the amount of \$790,677.80 (see Exhibit 1).

### BACKGROUND

[RCW 42.24.080](#) requires that all claims presented against the City by performing labor must be certified by the appropriate official to ensure that the labor was performed as described, and that the claims are just, due, and unpaid obligations against the City, before payment can be made. [RCW 42.24.180](#) allows the payment of claims to occur prior to City Council approval to expedite processing of the payment of claims, provided, however, that review and approval of the claims' documentation occurs at the next regularly scheduled public meeting.

The Certification of Payroll details the total payment to employees for labor performed and benefits payments made for each payroll. The City is on a bi-weekly payroll schedule with payments on every other Friday.

### PAYROLL INFORMATION

Each payroll varies depending on a number of factors (i.e., number of employees, pay changes, leave cash outs, overtime, etc.) In addition to regular pay for employees, the 6/4/2021 payroll has variants that are outlined on page two:
