Hi Molly and Adam,

I just wanted to note that when we get to the point of the City submitting its final package, I'm happy to work with you to make sure all of the required documentation is included.

Best,

Rebekah

Subject: City of Mercer Island Shoreline Master Program Amendment Initial Determination

Hi Molly,

Thank you for your July 7, 2023 initial submittal of amendments to the City of Mercer Island Shoreline Master Program (SMP). Ecology is required under WAC 173-26-104(3)(b) to make an initial determination of consistency with applicable laws and rules.

This serves as Ecology's formal written statement of initial concurrence of your proposed amendments.

As described under WAC 173-26-104(4), the next step in the approval process is for your jurisdiction to formally adopt the amendment through resolution or ordinance and send the final SMP submittal for formal agency approval as outlined in WAC [173-26-110](#).

Please let me know if you have questions or concerns.

Thank you,
Rebekah
