### Terms:

Price Expiration: The above pricing is valid until February 24, 2025.

**Future Changes:** Various state or federal regulatory agencies (e.g. NFPA, DOT, EPA) may require changes to the Specifications and in any such event any resulting cost increases incurred to comply will be added to the Purchase Price to be paid by the Customer and documented on a Change Order.

**Commercial Chassis & Component Price Volatility:** The pricing provided is based on our best estimate factoring Pierce's backlog of apparatus and historical chassis model year pricing & availability. Company shall not be responsible for any commercial chassis price increases including changes to model year enacted by a commercial chassis supplier or price increase of any major components of Product (including but not limited to engine, transmission, and fire pump) after the execution of contract. Any price increase of commercial chassis or major component of product will be passed through to end user and will be documented on a Change Order.

**Delivery:** Based on Pierce's current delivery schedule the apparatus would be ready for delivery from factory within 35 to 40 months after contract execution or purchase order. Delivery is subject to change pending Pierce's delivery schedule at time of order. This time does not include any possible delays that may be caused by national disasters or pandemic.

#### Payment Terms:

#### a. If pre-payment discount options are elected, the following terms will apply:

**i.** Payment Upon Completion at Factory Discount: If elected, final payment is due prior to apparatus leaving the factory for delivery. If payment is not processed upon receipt of invoice the discount total will be required in addition to the invoice amount.

**ii. 100% Pre-Payment Discount:** If elected, an invoice will be provided upon order processing for the 100% pre-payment. Upon receipt of invoice, payment must be made within thirty (30) days. If this option is elected, the discount is in addition to the payment upon completion at the factory discount. If payment is not made when due, the above mentioned pre-payment discounts or a portion thereof, will be added back to the final invoice. Final payment, including any changes made during manufacturing, is due upon completion of the Product at the factory and prior to delivery from the factory.

**b. If pre-payment discount options are not elected standard payment terms will apply:** Final payment will be due 30 days after the apparatus leaves the factory for delivery. If payment is not made at that time a late fee will be applicable.

c. Payments made for apparatus using a credit card will be applicable to a credit card convenience fee.

**Change Orders:** Changes processed after order placement will be processed per the following structure; deductions will be based on the option price at time of order placement, additions will be based on current pricing levels at time of change request.

**Consortium Purchase:** The proposal is based on the apparatus being purchased through Sourcewell utilizing Contract No. 113021-OKC-1 valid until 2/10/2026. It is the purchaser's responsibility to determine if the use of consortiums meets their purchasing requirements.

**Performance Bond:** A performance bond is included in the above price and will be provided after order placement. If customer elects to remove the performance bond **\$2,026.00** may be deducted from the purchase price. All purchase orders must include the following verbiage if a performance bond is elected, "Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible."

**Transportation:** Transportation of the apparatus to be driven from the factory to the customers location is included in the above pricing. However, if permits are not obtainable, due to the weight of the apparatus, and the apparatus must be transported on a flat bed, additional Transportation charges will be the responsibility of the customer. We will provide pricing at that time if necessary. If customer elects to drive the apparatus from the factory, **\$10,000.00** may be deducted from the purchase price. if this option is elected payment in full and proof of insurance must be provided prior to leaving the factory and the customer is responsible for compliance with all state, local and federal DOT requirements including the driver possessing a valid CDL license.

**Inspection Trips: Two (2)** factory inspection trips for **five (5)** customer representatives and **one (1)** inspection trip for **two (2)** customer representatives is included in the above pricing. The inspection trips will be scheduled at a time mutually agreed upon between the manufacture's representative and the customer, during the window provided by the manufacturer. Airfare, lodging and meals while at the factory are included. In the event the customer is unable to travel to the factory or the factory is unable to accept customers due to the restrictions caused by a national disaster or pandemic then the Dealership reserves the right to use forms of electronic media to accomplish the intention of the inspection trip. Every effort will be made to make the digital media as thorough as possible to satisfy the expectations of the of the customer. If the customer elects to forgo an inspection trip **\$2,400.00** per traveler (per trip) will be deducted from the final invoice.

Cancellation: Cancellation requests after order submission may be subject to cancellation fees.

#### Acceptance of Proposal:

**a.** If the customer wishes to purchase the proposed apparatus Hughes Fire Equipment will provide the Customer its form of Purchase Agreement for the Customer's review and signature.

**b.** If the Customer desires to use its standard form of purchase order as the Purchase Agreement, the purchase order is subject to review for any required revisions prior to acceptance.

i. Purchase orders must be addressed to Hughes Fire Equipment, Inc., 910 Shelley Street, Springfield, Oregon 97477.

ii. Purchase order must reference "One (1) Freightliner M2-106 4X2 Pumper MC1115 dated 01/15/2025."

iii. Purchase order must include the following verbiage if a performance bond is elected, "Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible."

iv. Purchased order should reference, "Purchased utilizing Sourcewell Contract No. 113021-OKC-1."

v. Purchase orders must be signed and dated by authorized personnel.

By signing below you agree to purchase the above apparatus.
