Deb –

Please add this email, including my statement below, as my written disclosure of “appearance of conflict” pursuant to MICC 2.60.030(B) for the quasi-judicial public meeting on Docket Item 18.

I believe that I have the appearance of conflict as it applies to items below:

- I have social relationships with a number of the parties involved
- I recognize that a number of the parties involved are customers of my business
- I’ve have/have had a business relationship with the SJCC
