NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

Project Schedule

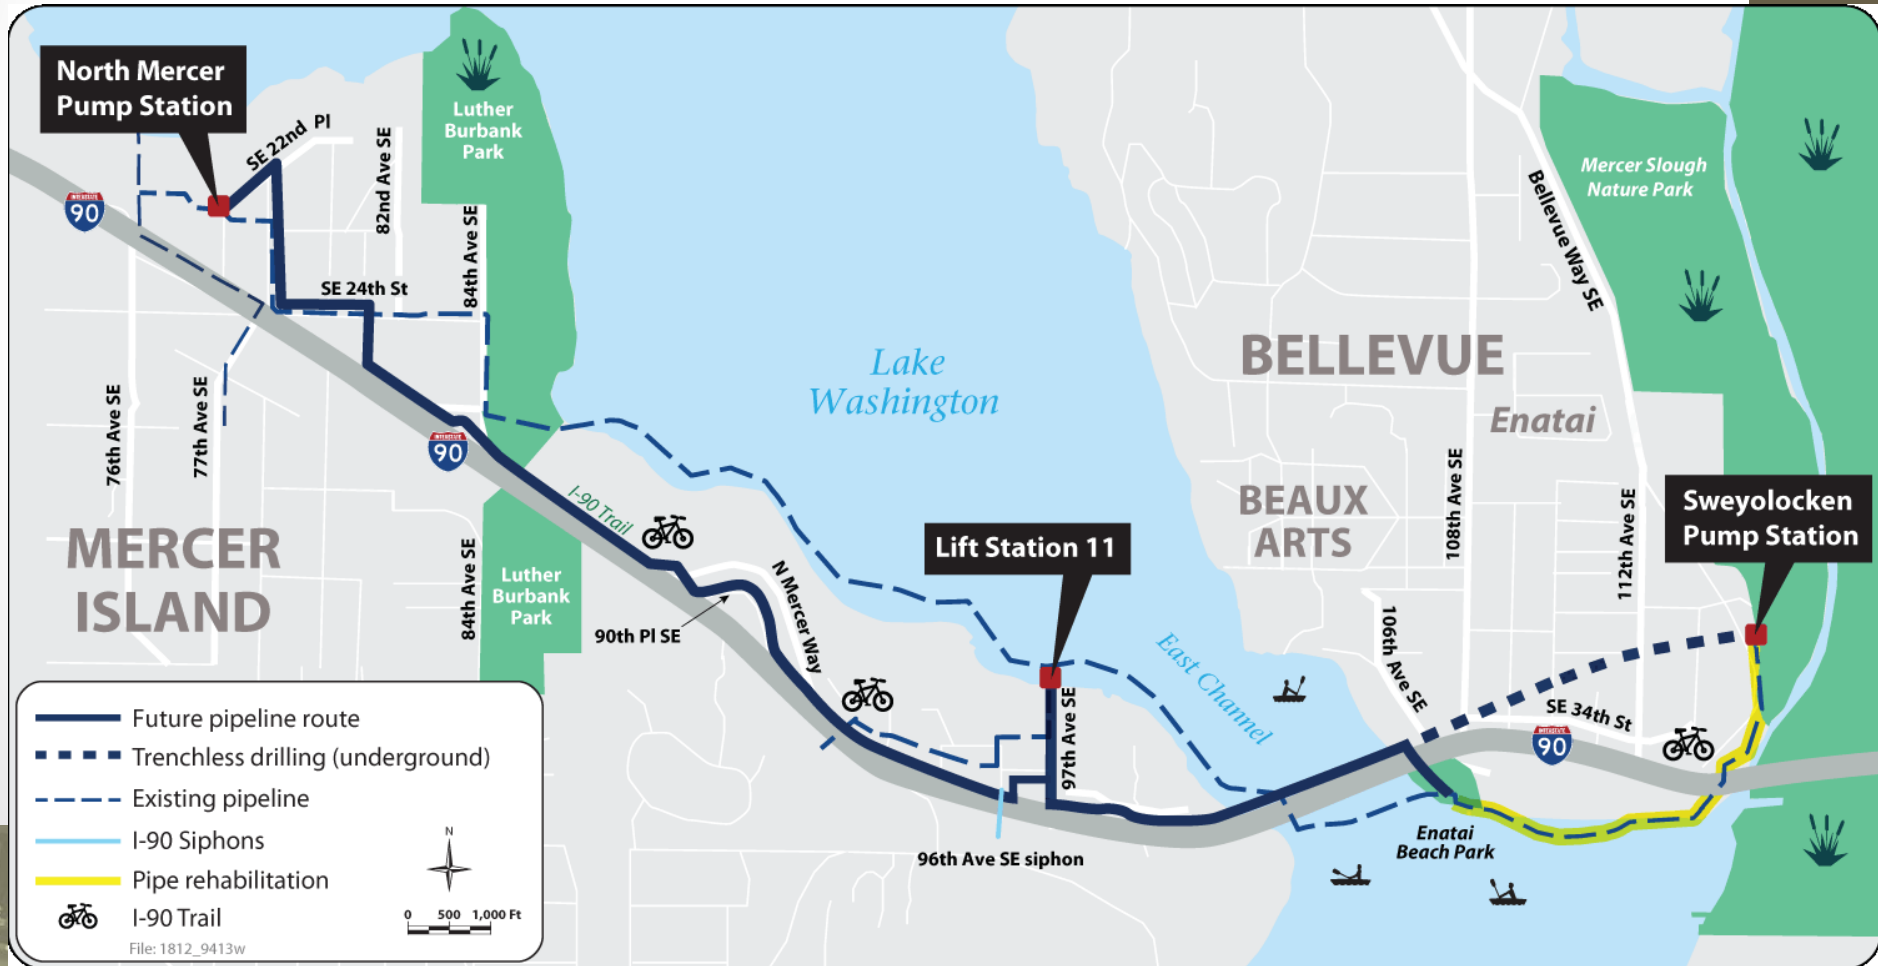

King County

Department of Natural Resources and Parks
Wastewater Treatment Division

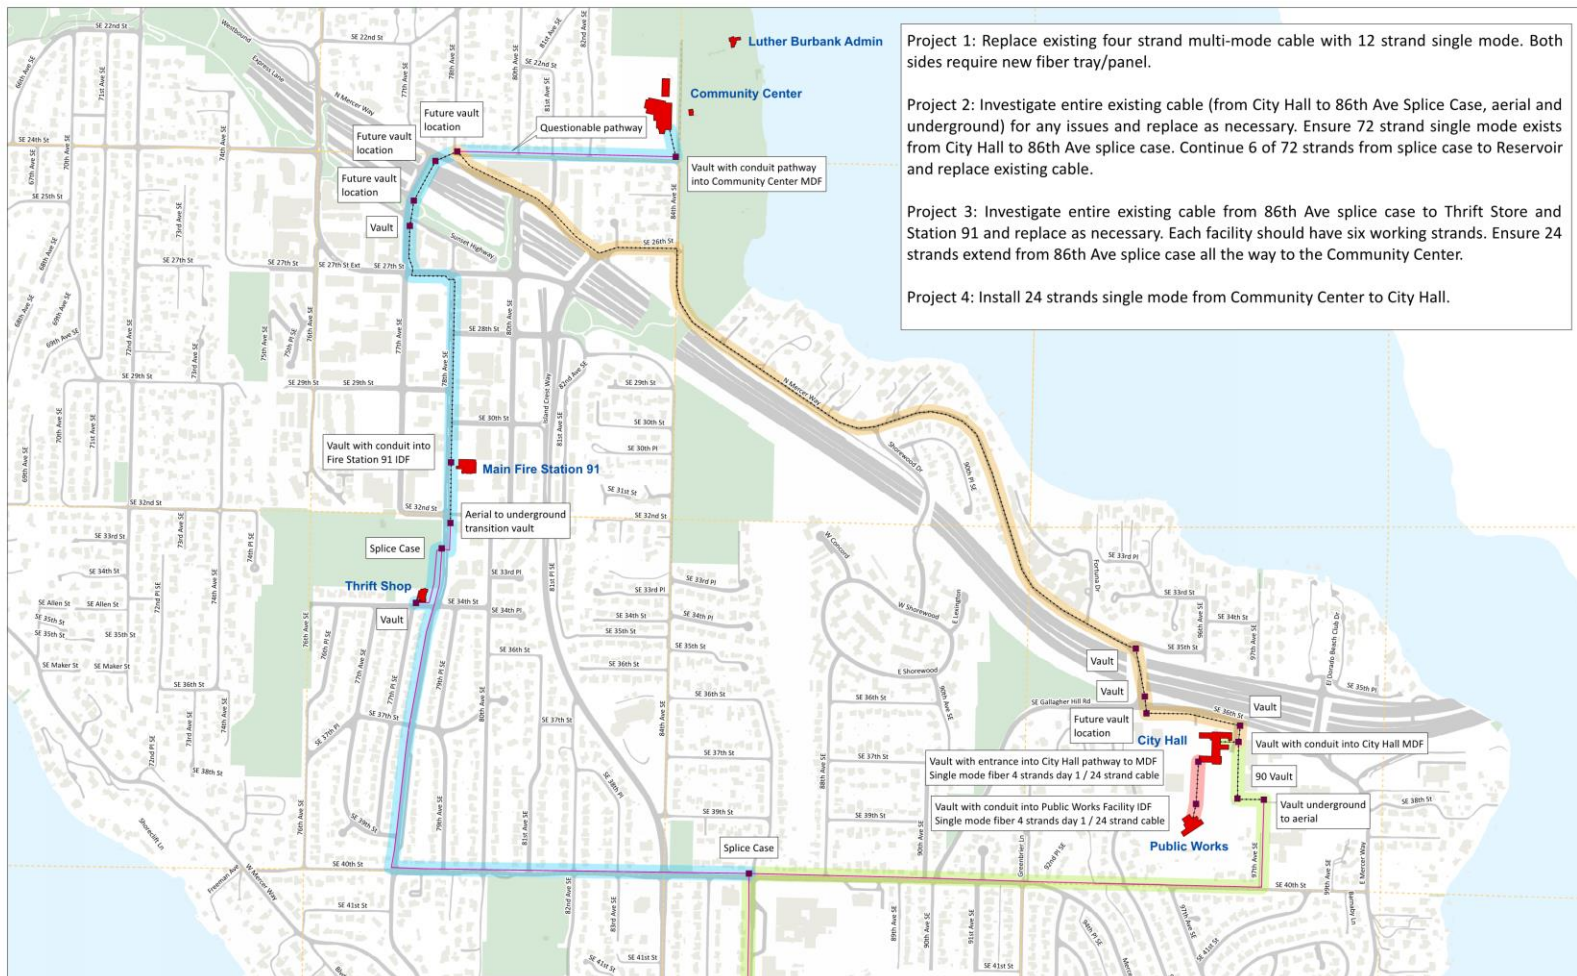

NORTH MERCER ISLAND/ENATAI Sewer Upgrade Project

Project Alignment

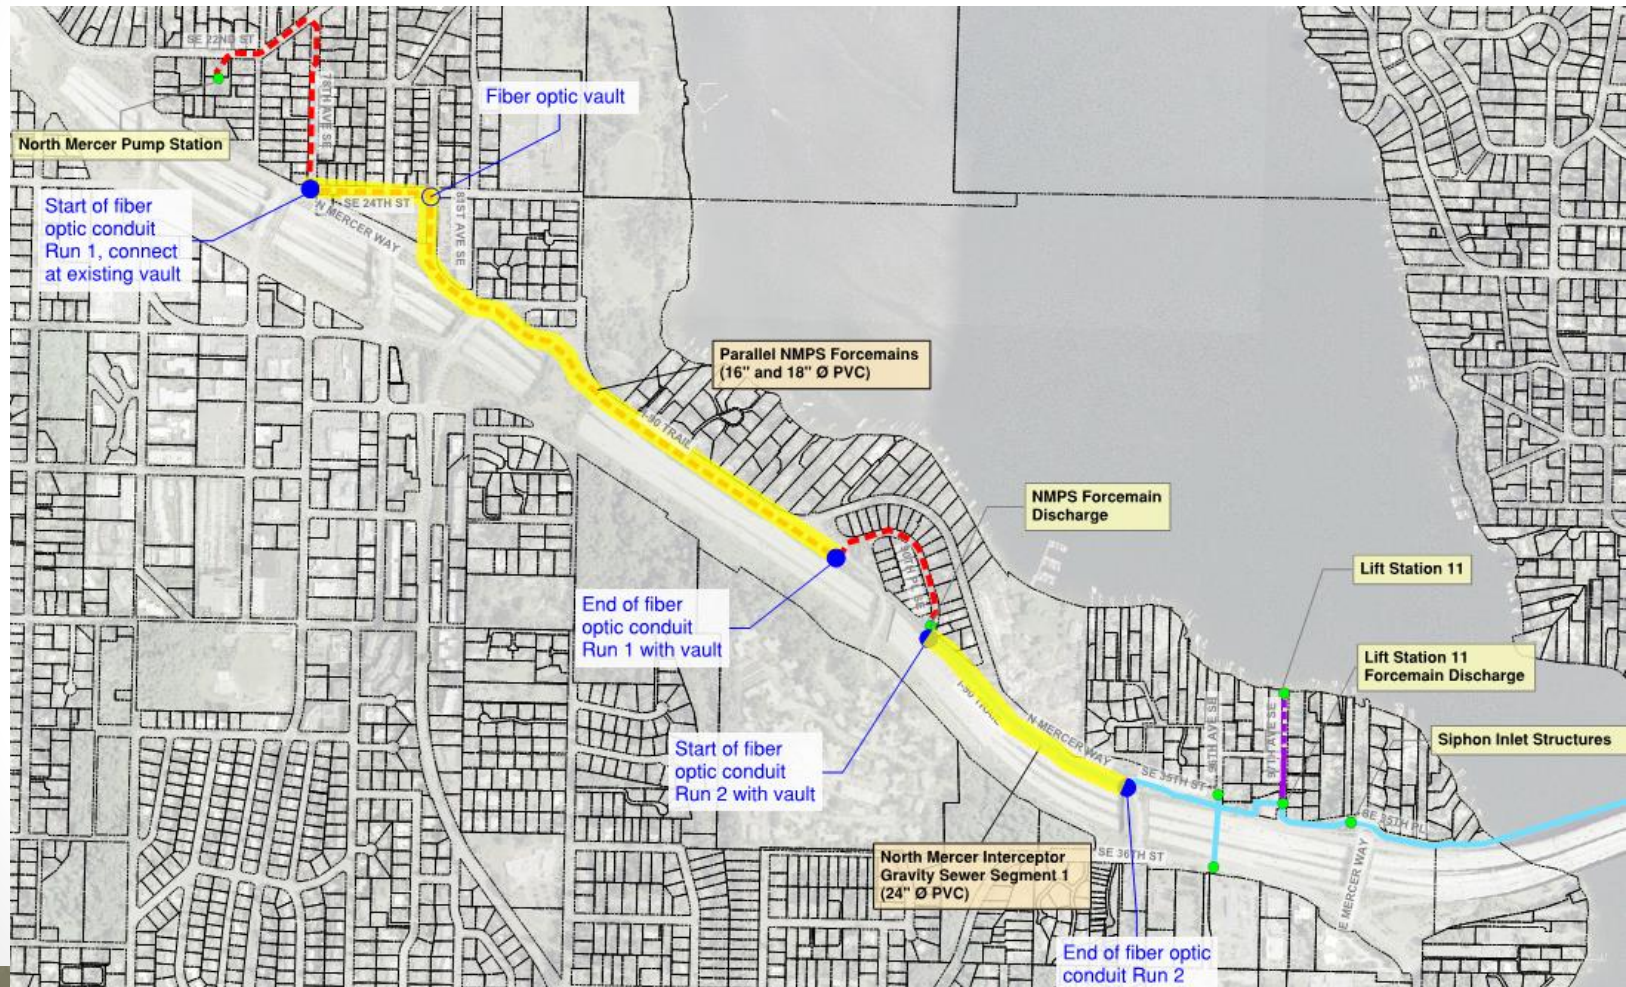

Utility Coordination – City fiber optic installation

(see next slide for portion of fiber optic included in King County's project)

Utility Coordination – City fiber optic installation

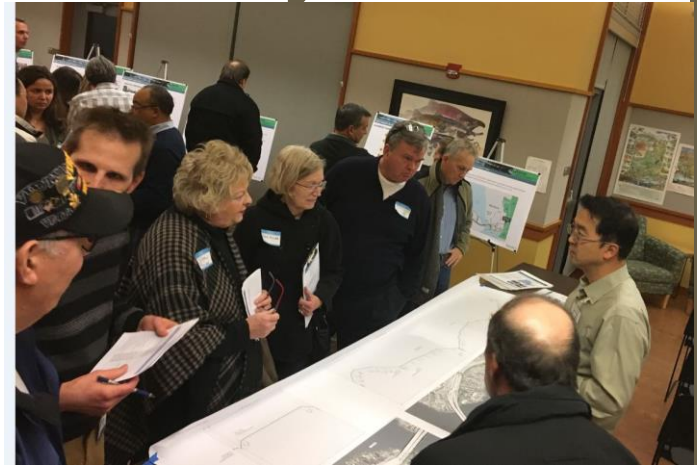

Other Coordination

- City Water/Sewer CIP
- PSE
- Private Telecoms
- Sound Transit
- WSDOT
- Aubrey Davis Park Master Plan
- Metro
- Mercer Island School District

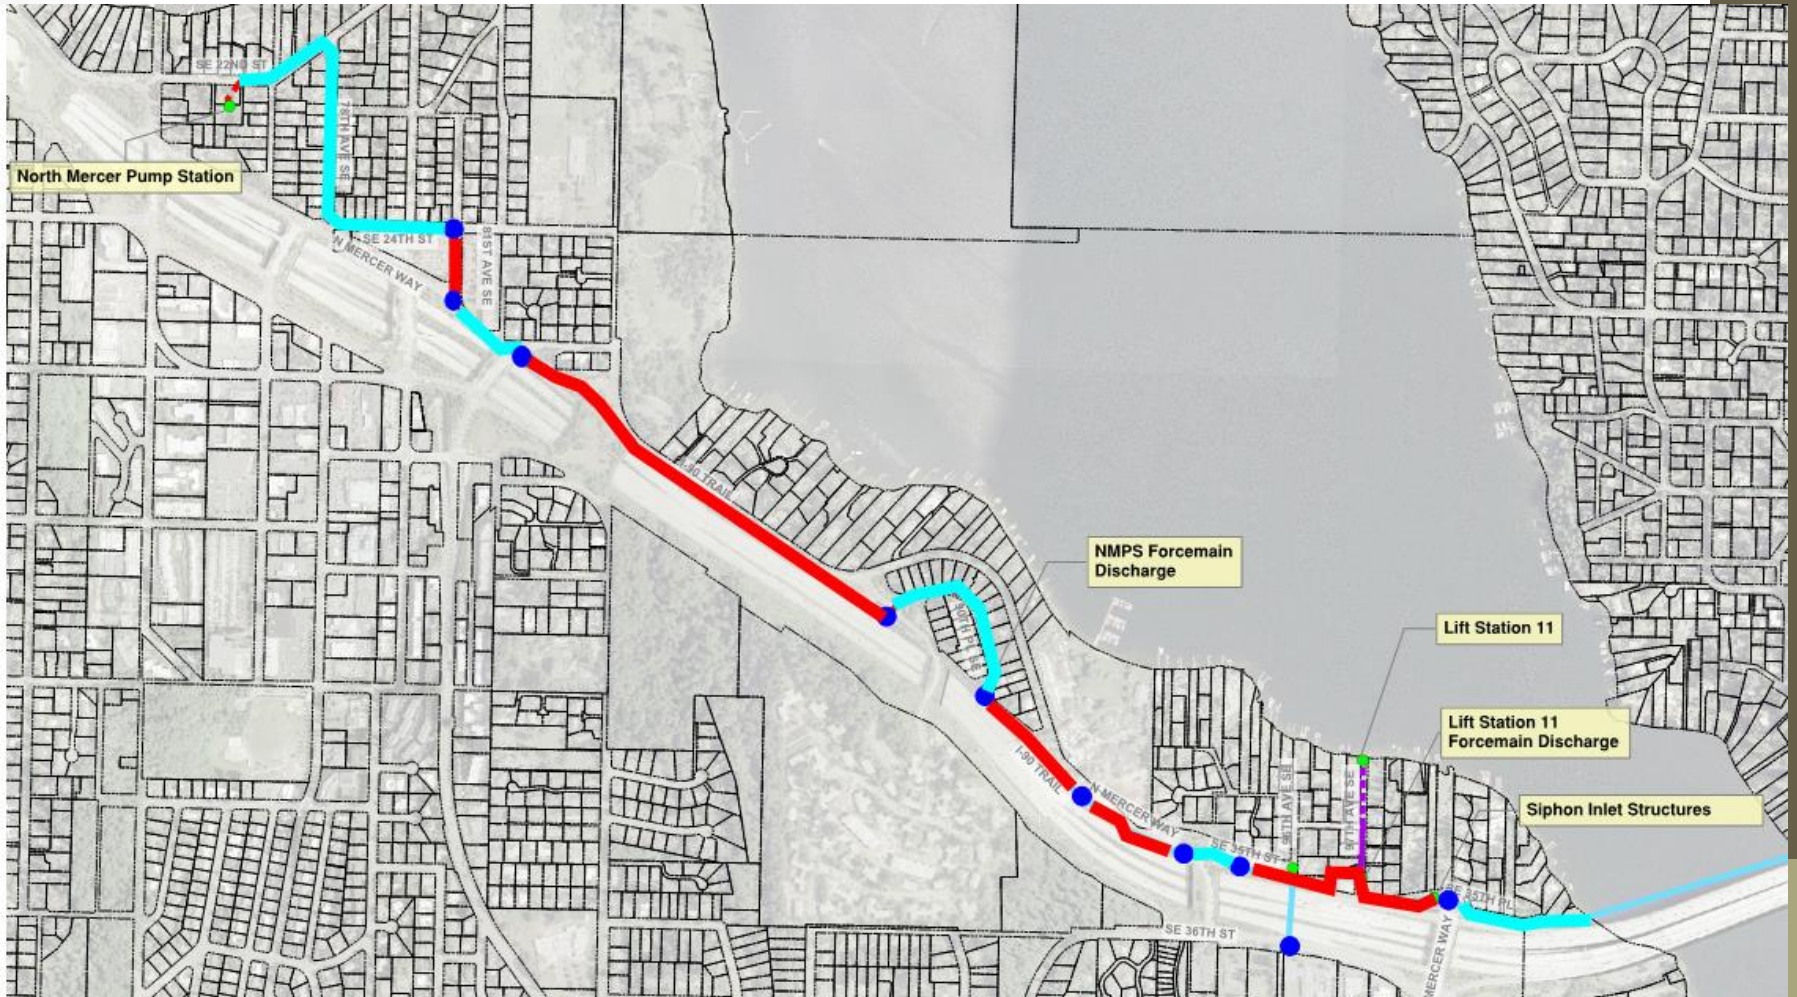

Meeting neighbors where they are

- Outreach to entire project area through meetings, online communications and community events
- Outreach to impacted neighbors through street walks, briefings, and one-on-one conversations
- Upcoming open houses and online open house in early 2020

Construction Impacts

Restoration

- Streets
 - Evaluated on an individual basis
 - Will have three Paving Seasons
- Trail
- LS 11
- Trees

Next Steps

- Finalizing restoration requirements with City of Mercer Island and WSDOT: rolling restoration along construction work zones within first planting/paving windows
- WSDOT permits in December 2019
- City of Mercer Island construction permits in December 2019
- Bid Set Completion in summer 2020
- Construction NTP in late 2020
