

1 **Introduction**

2 The City of Mercer Island parks, open spaces, trails, and recreation facilities are a pillar
3 of the high quality of life enjoyed by Mercer Islanders. Preserving these public lands
4 as the City manages growth in the coming decades is an important way the City can
5 maintain the quality of life for future generations. To that end, this element of the
6 Comprehensive Plan establishes the goals and policies to manage parks, open spaces,
7 trails, and recreation facilities through the year 2044.

8
9 **Parks, Recreation and Open Space Plan**

10 The Parks, Recreation, and Open Space Plan (PROS) is a long-range planning
11 document that serves as a blueprint for the growth, enhancement, and management
12 of the City of Mercer Island parks and recreation system and assists in guiding
13 decisions related to planning, acquiring, developing, and maintaining parks, open
14 space, trails, and recreational facilities. The PROS Plan also includes priorities for
15 recreation programs, special events, and arts and cultural activities.

16 The PROS Plan, updated every six to ten years, identifies parks and recreation goals
17 and objectives and establishes a long-range capital plan for the Mercer Island parks
18 and recreation system, including action items and strategies to inform future work
19 plan items. The recommendations in the PROS Plan are based on community input,
20 evaluations of the existing park system, operating conditions, and fiscal
21 considerations.
