EXECUTIVE SUMMARY

The purpose of this agenda bill is to proclaim April 2026 as Sexual Assault Awareness & Prevention month on Mercer Island with Proclamation No. 381 (Exhibit 1) and join other King County cities as a part of a regional and national effort to education communities about ways to recognize, respond to, prevent, and help end sexual violence.

BACKGROUND

Every April, Sexual Assault Awareness & Prevention Month (SAAPM) calls attention to the fact that sexual harassment, assault, and abuse are widespread and impact every person in the community. SAAM aims to raise public awareness about sexual violence and educate communities on how to prevent it.

ISSUE/DISCUSSION

The National Sexual Violence Resource Center’s SAAPM 2026 campaign calls on individuals, communities, organizations, and institutions to strive to work together as a community to alleviate the trauma of sexual violence by ensuring supportive resources are available to all survivors, and to stand up and actively disrupt harmful attitudes and behaviors that contribute to sexual violence.

Systems of oppression such as racism, sexism, classism, heterosexism, ageism, and ableism contribute to higher sexual harassment, assault, and abuse rates. Stopping sexual abuse, assault, and harassment before they happen through working together to support healthy, safe, and respectful behaviors and environments within the community. United together the community can help to address the social and structural determinants of health such as education, income, employment, community safety, and social support is crucial to improving the conditions in which to live, learn, work, and play.
