## Breakout Room Discussions and Key Themes

The project team hosted three breakout room sessions to provide attendees an opportunity to share feedback and ideas in small group settings. All breakout room sessions and questions are listed below and organized by key themes as summarized by the project team.

### #1 Beaches, Waterfront & Water-oriented experiences

- What's working well at our waterfronts?
  - Appreciation for the street end parks
  - Appreciation for waterfront beaches (especially Groveland and Proctor Landing), parks, and access
- What could we do better?
  - Improve water safety by having lifeguards on duty
  - Improve infrastructure such as repairing docks and cement that is aging and providing seating and more trash cans
  - Increased and safer access to the water for hand-carry watercraft, such as kayaks, and for people with accessibility needs
- If you had to pick one area to focus on for water-oriented recreation experiences, what would it be?
  - Improve accessibility of street end parks and provide clearer signage to find them
  - Provide boating classes, facilities, and rentals

### #2 Trails:

- What's working well with the Mercer Island trail system?
  - Appreciation for the variety of rustic and paved trails that connect around the Island that can be used in a variety of ways
  - Appreciation for well-maintained trails
  - Appreciation for space to ride bicycles and for mountain biking
- What could we be doing better?
  - Clearer signage and education about the trails available on Mercer Island
    - Provide clearer signage about dogs on trails or in off-leash parks
  - Expand trails available for bicycles
  - Improve infrastructure and accessibility on the trails
    - Repair paved trails that need it
    - Consider designating parts of trails for certain use to promote walking and bicycle safety
    - Improve safety at street crossings
  - Balance trails for active and passive uses
    - Expand BMX trails
    - Protect and repair walking and hiking trails
- What's one new idea for the trail system?
  - A centralized location to learn about the trail system, whether that is a website or smartphone application
  - Expand mountain biking opportunities
  - Provide opportunities for community members to participate in maintenance

### #3 Balancing access to nature with active park uses

- What are your thoughts on our current mix of active and passive uses of open space and parks?
  - Mix of community members who feel there is a good balance between passive and active uses of space and those who would like more passive use space and more active use space. Wide range of responses.
- What would you do differently?
  - Make Mercer Island spaces more accessible
  - Make spaces usable all year round, for example adding lighting and turf grass to some spaces
  - Update some spaces to have multiple uses
  - Provide independent oversight at Snake Hill
  - Would like to see more opportunities to play pickleball, for example updating the old tennis courts at Luther Burbank Park to pickleball courts
- Should the City invest in acquisition of new park land and/or open space?
  - Interest in strategic land acquisition, but acknowledgement that cost and availability may be prohibitive
  - Interest in improving what Mercer Island already has and using those spaces effectively
- What's one new idea?
  - A lot of interest to update some tennis courts to provide space to play pickleball
  - Add new opportunities such as bouldering or a museum
  - Provide more signage and wayfinding to help people find the space for the activity they are seeking

### Next Steps
