35A.13.010

City officers—Size of council.

The councilmembers shall be the only elective officers of a code city electing to adopt the council-manager plan of government authorized by this chapter, except where statutes provide for an elective municipal judge. The council shall appoint an officer whose title shall be "city manager" who shall be the chief executive officer and head of the administrative branch of the city government. The city manager shall be responsible to the council for the proper administration of all affairs of the code city. The council of a noncharter code city having less than twenty-five hundred inhabitants shall consist of five members; when there are twenty-five hundred or more inhabitants the council shall consist of seven members: PROVIDED, That if the population of a city after having become a code city decreases from twenty-five hundred or more to less than twenty-five hundred, it shall continue to have a seven-member council. If, after a city has become a council-manager code city its population increases to twenty-five hundred or more inhabitants, the number of council offices in such city may increase from five to seven members upon the affirmative vote of a majority of the existing council to increase the number of council offices in the city.

When the population of a council-manager code city having five council offices increases to five thousand or more inhabitants, the number of council offices in the city shall increase from five to seven members. In the event of an increase in the number of council offices, the city council shall, by majority vote, pursuant to RCW **35A.13.020**, appoint two persons to serve in these offices until the next municipal general election, at which election one person shall be elected for a two-year term and one person shall be elected for a four-year term. The number of inhabitants shall be determined by the most recent official state or federal census or determination by the state office of financial management. A charter adopted under the provisions of this title, incorporating the council-manager plan of government set forth in this chapter may provide for an uneven number of councilmembers not exceeding eleven.

A noncharter code city of less than five thousand inhabitants which has elected the council-manager plan of government and which has seven council offices may establish a five-member council in accordance with the following procedure. At least six months prior to a municipal general election, the city council shall adopt an ordinance providing for reduction in the number of council offices to five. The ordinance shall specify which two council offices, the terms of which expire at the next general election, are to be terminated. The ordinance shall provide for the renumbering of council positions and shall also provide for a two-year extension of the term of office of a retained council office, if necessary, in order to comply with RCW **35A.12.040**.

However, a noncharter code city that has retained its old council-manager plan of government, as provided in RCW **35A.02.130**, is subject to the laws applicable to that old plan of government.

For the purposes of determining population under this section, cities may include or exclude the population of any state correctional facility located within the city.

Until councilmembers of a newly organized council-manager code city may lawfully be paid as provided by salary ordinance, such councilmembers shall be entitled to compensation in the same manner and in the same amount as councilmembers of such city prior to the adoption of this council-manager plan.
