

2026 City Legislative Priorities

Cities and towns are home to 66% of Washington's residents, drive the state's economy, and provide the most accessible form of government. The success of our cities and towns depends on adequate resources and community-based decision-making to best meet the unique needs of our communities.

Washington's 281 cities and towns ask the Legislature to partner with us and act on the following priorities:

Indigent defense

Increase state support and funding for indigent defense services to meet existing needs as well as the new lower caseload mandates ordered by the Washington Supreme Court. Enhance state support for increasing the indigent defense workforce with incentives and programs to encourage more public defenders.

Transportation

Increase sustainable revenue that supports local transportation preservation, maintenance, and operations and includes direct distributions to cities and towns. Continue to support efforts to improve traffic safety. Explore revenue tools such as a highway usage fee, a retail delivery fee, expanded transportation benefit district (TBD) authority, or a "sidewalk utility."

Housing supply

Provide time to implement recent state housing legislation. Increase housing investments to meet needs across the housing continuum, including construction and preservation of affordable housing, home ownership, and senior housing. Support tools to better coordinate urban growth area (UGA) development and funding options such as a local option real estate excise tax, short-term rental tax, and expanded use of lodging taxes for housing.

Shared revenues

Continue the historical revenue-sharing partnership between the state and its cities and towns, which provides stability and continuity for local budgets. Preservation of these resources, such as liquor revenues and criminal justice assistance funds, are indispensable to local fiscal sustainability and predictability.
