

Recreation Division 2025 Annual Report

June 4, 2026

Agenda

1. Who is the Recreation Division

2. What We Did in 2025

3. 2026 Update

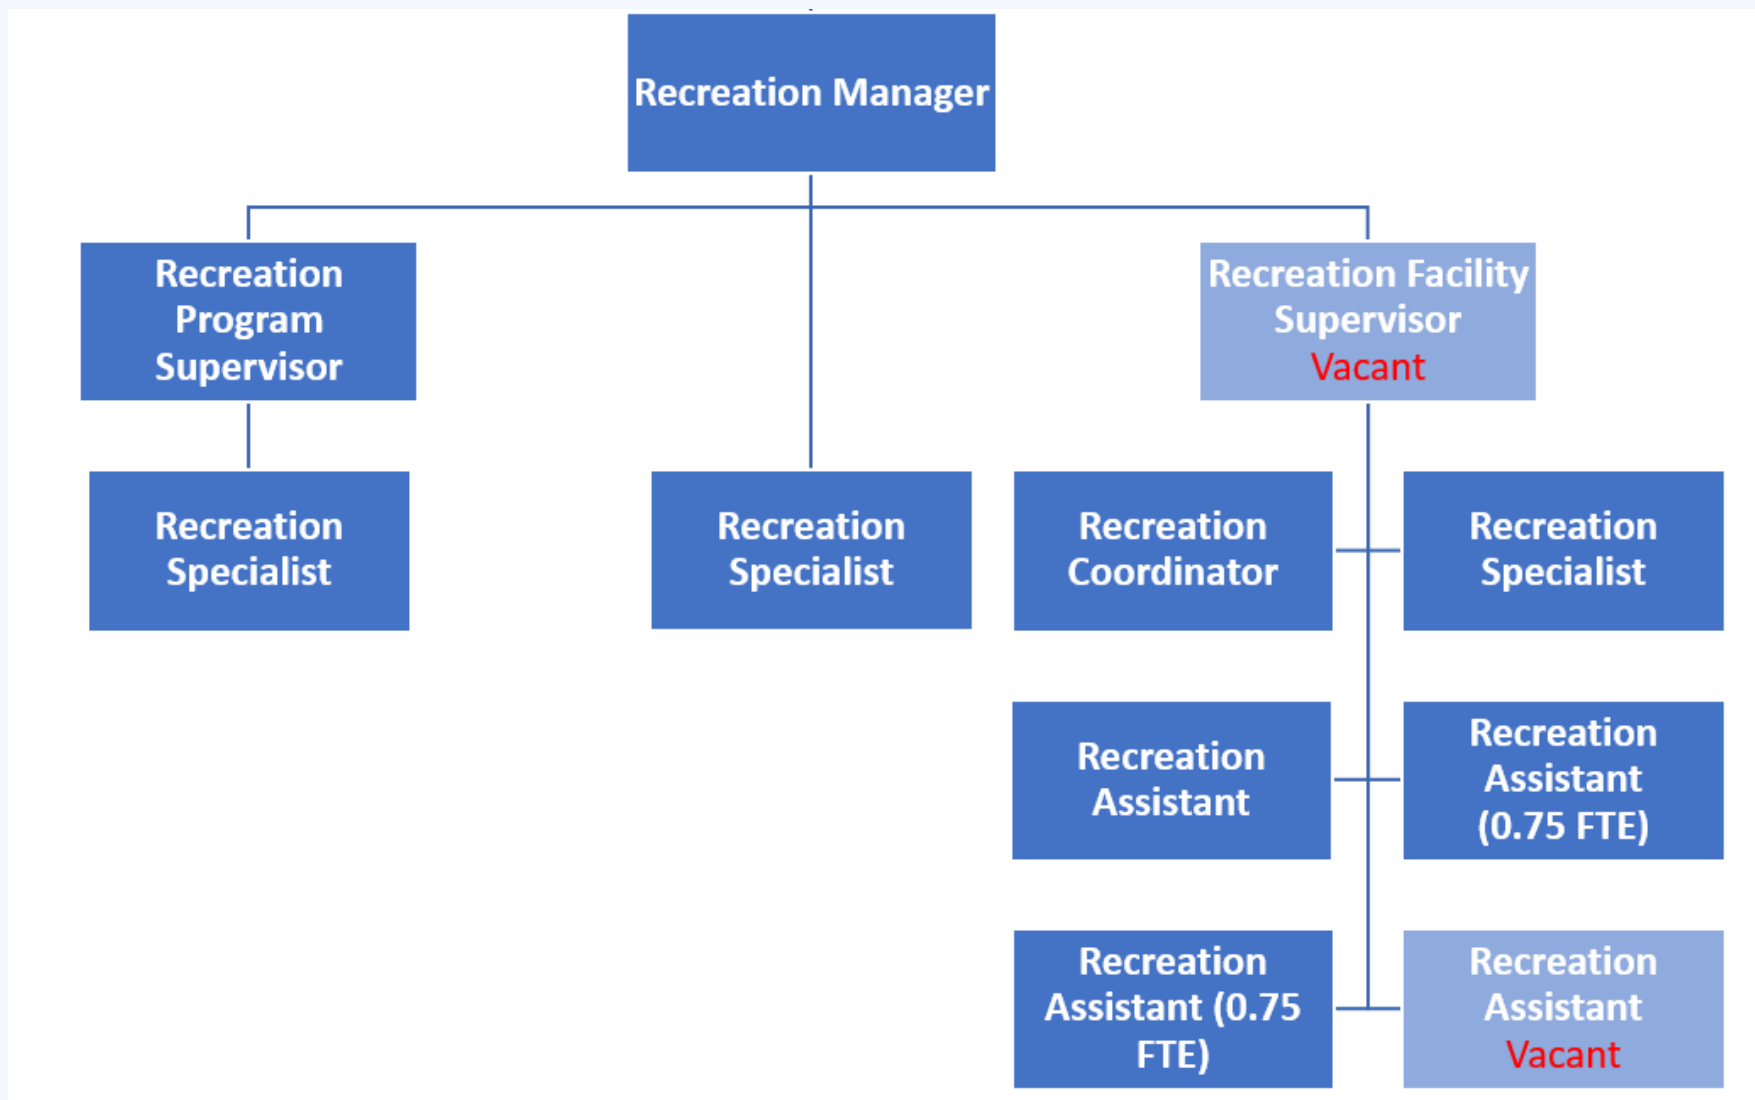

Who We Are

We are a team of 10.5 full-time and part-time staff who:

- Strive to deliver life improving recreation services.
- Focus on creating access and opportunities for all community members.
- Connect community members and neighborhoods together.
- Support community organizations.
- Consistently seek improvement.

Who We Are

Administration: What We Did

The Administration Functional area is responsible for **developing the division budget, prioritizing resources, developing policies**, establishing and reviewing the **Division's Work Plan** and supporting **city-wide emergency operations**.

Administration Functional Area Outcomes:

- Developed and presented the [2024 Recreation Division Annual Report](#).
- Restructured staff responsibilities to support MICEC expanded hours/rental volume.
- Coordinated SeaFair traffic and access support at Groveland Beach.
- Coordinated the opening of Jake Jacobson Pickleball Courts.
- Collaborated with MI Rowing program for 2026 summer camp offerings.
- Supported Park Zone development.
- Coordinated development Sport Court Allocation and Use Policy.

Administration: What We Did

The Administration Functional Area also provides staff support to the Parks and Recreation Commission and the Arts Council.

Parks and Recreation Commission Outcomes:

- Recommended Park Zone development regulations to City Council.
- Received annual report from King County Library System.
- Attended Roanoke Park ribbon cutting and Jake Jacobson Pickleball Courts dedication.

Arts Council Outcomes:

- Recommended the 6-Year Workplan for Art in Public Places to City Council.
- Discussed opportunities for public art integration for Deane's Children's Park.
- Provided input on updates to the Pergola and operational uses.

MICEC: What We Did

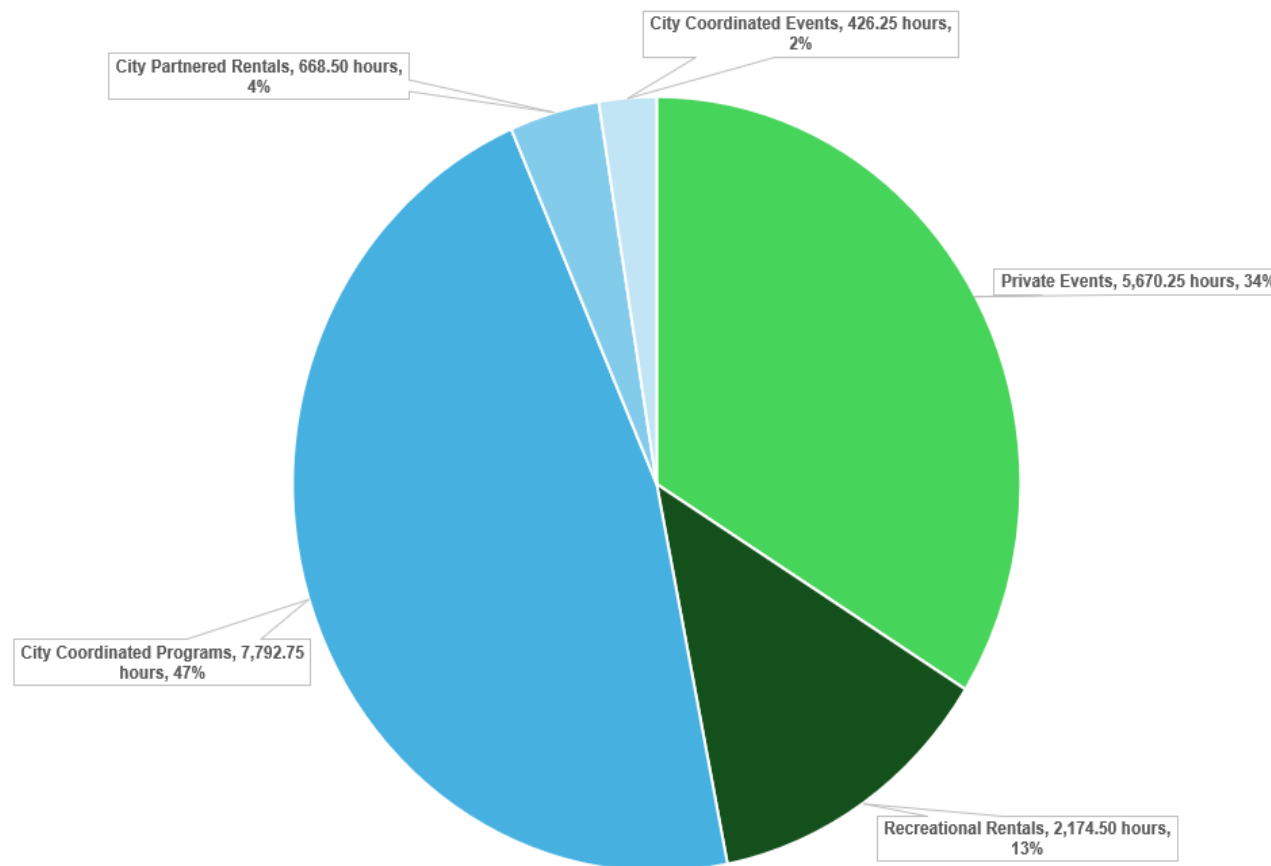

- Offered Spring Break free drop-ins for resident youth.
- Further implemented non-traditional work schedules to meet facility demand.
- Collaborated with multiple partners to provide access to the facility including MI Sister City Association, MIVAL, Mercer Island Chinese Association.
- Maintained and expanded relationship with MISD's Pathways program.
- Collaborated with multiple City Departments for community engagement and emergency support.
