SUMMARY

This special meeting is the second in a series of workshops to develop a 6-Year Workplan for the Art in Public Places Program (the Plan). The Mercer Island Arts Council held its first workshop on May 20, 2024, where they provided input to inform the public art project opportunities that will be included in the Plan as well as previewed upcoming public art policy and deaccession needs. During Workshop #2, the Arts Council will continue work to develop the public art project opportunities list and provide feedback on the Guidelines for Acquisition and Deaccession that will be updated as part of this planning process.

Staff will use the Arts Council’s feedback from this and subsequent workshops to draft the Plan, which will be presented for review and comment at the Arts Council’s Regular Meeting on October 16, 2024. The date for Workshop #3 will also be finalized.
