The bi-monthly rates and charges for sewerage disposal services are set forth below:

| Single Family Bimonthly Sewer Rates | | | | |

| Class | King County | City Sewer Line Maintenance | | |
| | Fixed Charge | Fixed Charges | | Volume Charge |

| Low-Income Residential ² | \$90.66 | \$9.46 | \$12.12 | \$2.02 |

A. Average winter water usage is based on the most current 4 months of winter water usage data available in the billing system. Calculation of the winter water average is based on usage as shown on the January and March bills or February and April bills depending on the billing/reading cycle. Calculation of sewer charges using the winter average is in effect for the following 12 months, until the next winter’s water consumption data is available.

In the case of single family property, where there is no method of accurately calculating the average winter water usage because no water was used during the winter months, or any part thereof, or because the property is not connected to the sanitary sewer system, or for any other reason approved by the Deputy Finance Director or the Finance Director, the sewer volume charge herein will be the Island-wide bi-monthly average winter water use.

Newly-constructed single family properties shall be charged a sewer volume charge based on the per unit Island-wide average water usage for single family properties. Newly-constructed multi-family and commercial properties shall be charged a sewer volume charge based on their actual water usage.

| Multi-Family and Commercial Bimonthly Sewer Rates | | | |
|----------------------------------------------------------|-----------------------------------------------------------------|------------------------------------|----------------------------------------------|

B. The King County rate for multi-family and commercial is derived by dividing King County’s monthly rate (\$45.33) by King County’s residential customer equivalency usage value of 750 cubic feet.

Section 3. Sewer Connection Charges Effective January 1, 2020

The connection charges payable by the property owners for connection to the City of Mercer Island sanitary sewer system shall be as follows:
