9 **19.05.010 Public institution – PI.**

10 A. *Uses Permitted.*

- 11 1. Government services.
12 2. Public schools under the administration of Mercer Island School District No. 400 subject to the
13 requirements in subsection F of this section. Subsections B, C and E of this section do not apply to public
14 schools. Uses other than public schools located on land owned by the Mercer Island School District shall
15 comply with applicable provisions of Chapter 19.02 MICC.
16 3. Public park.
17 4. Transit facilities including transit stops and associated parking lots.
18 5. On-site hazardous waste treatment and storage facilities are allowed as accessory uses to a use
19 permitted in this zone. These facilities shall comply with the state siting criteria as set forth in Chapter
20 173-303 WAC.
21 6. Wireless communications facilities subject to the conditions set out in MICC 19.06.040.

22 B. ~~Mercer Island I-90 Right-of-Way Added to Public Institution Zone. The entire area within the Mercer~~
23 ~~Island I-90 right-of-way, including, but not limited to, the roadway, street overcrossings, lids, open space,~~
24 ~~recreation areas, linear greenbelts and the park-and-ride lot area as approved by the city on November 14,~~
25 ~~1983, and incorporated in the right-of-way plan approved by WSDOT on May 1, 1987, shall be part of the~~
26 ~~public institution zone. All uses within the I-90 right-of-way shall be maintained as set forth in city-approved~~
27 ~~I-90 related documents. (Repealed by Ordinance No. 19C-19.)~~

28 C. Design Requirements. Any development within the public institution zone shall comply with the applicable
29 sections of Chapter 19.11 MICC, Town Center Development and Design Standards.
