1	6927	Reynolds	How much do we pay for the fireworks display? Do we have an estimate of associated soft costs (staff time, etc)	The approximate cost for the fireworks portion of Summer Celebration at Luther Burbank Park (4pm-12am) is as follows: • Fireworks/Barge: \$50,000 • Event Equipment: \$10,000 • Entertainment: \$3,500 • Staffing: \$4,000 • MIPD/Marine Patrol: \$6,200
2	6938	Reynolds	Are there any practical implications / constraints that would prevent us from amending 5.xx.050.B.1 from “...an increase in rent exceeding three (3) percent” to “an increase in rent that would cumulatively exceed three (3) percent over the rent one year earlier”, or similar	The proposed amendment is feasible, and staff do not foresee any potential negative implications. Staff will prepare a draft amendment for consideration at the June 2 meeting.
