2020 CITY COUNCIL PLANNING SESSION

Decision Card/Work Plan Prioritization Exercise Councilmember Instructions

1. Submit your top 10 decision card priorities via a ballot. You may only vote once per item.
2. A staff member will collect the ballots and place your votes (using sticky dots) on the respective decision cards.
3. The decisions cards will be reorganized based on votes received.
4. A second round of voting will be conducted if necessary, to break ties or to help further distinguish the top work plan priorities.

Discussion Questions:

- *Do you agree with the ranking? Would anyone like to make a case for an item to be reconsidered?*
- *Of the top priorities, what is a reasonable number of items we should ask staff to scope for 2020? This will include evaluating staff time and other resources needed to complete the work and the expected timeline for completion.*
- *Of the top priorities, what items should we ask staff to scope for consideration as part of the 2021-22 budget process?*
