EXHIBITS:	1. Proclamation No. 399
CITY COUNCIL PRIORITY:	n/a

AMOUNT OF EXPENDITURE	\$ n/a
AMOUNT BUDGETED	\$ n/a
APPROPRIATION REQUIRED	\$ n/a

EXECUTIVE SUMMARY

The purpose of this agenda item is to proclaim the fourth Saturday in October as Arbor Day on Mercer Island (Exhibit 1).

BACKGROUND

The Tree City USA program, established by the [Arbor Day Foundation](#), serves to recognize a community's commitment to caring for its urban forests – a designation which more than 3,500 communities nationwide have attained since the program's creation in 1976. The City of Mercer Island first joined this program in 2017, and the Arbor Day proclamation is an annual requirement for renewing this designation.

ISSUE/DISCUSSION

In addition to showcasing the many ways the City of Mercer Island values and supports a robust urban forest management program, maintaining active Tree City USA status also makes the City eligible for certain urban forestry grant programs. To qualify for these programs, four core standards of sound urban forestry management must be met:

1. Maintaining a tree board or department,
2. Adopting a tree care ordinance,
3. An annual budget of at least \$2 per capita dedicated to community forestry, and
4. An annual Arbor Day observance and proclamation.

The City of Mercer Island currently meets these criteria in the following ways:

- Urban forestry programs are well-established within the Parks and Right-of-Way divisions of the Public Works Department and include extensive tree planting and systematic tree assessments along the City's park, open space, and arterial boundaries. This work is supported by four staff ISA-certified arborists.
- The tree chapter of the Mercer Island Municipal Code demonstrates the City's ongoing commitment to protecting and enhancing this vital natural resource.
- Calculations of expenditure on all aspects of tree care indicate that the City has continued to exceed the per capita requirement in 2026. These expenditures include all plant materials, installation, maintenance, and risk management, as well as ongoing training for staff arborists.

This proclamation, designating the fourth Saturday in October as Arbor Day on Mercer Island, fulfills the final requirement needed to maintain Tree City USA qualification for the tenth year running. Further, the annual Arbor Day celebration creates a platform from which the City of Mercer Island can celebrate its triumphs, raise awareness of the challenges facing its urban tree canopy, and educate citizens on ways in which they can contribute to a healthy urban forest.

The 2026 Arbor Day celebration will be held on Saturday, October 24 from 10am-1pm in Homestead Park. This planting event will enhance natural habitat, encourage tree planting in the community, recognize Mercer Island's dedicated community volunteers, and inspire citizens of all ages to be good forest stewards in City parks and their own backyards. City staff will launch a social media "Countdown to Arbor Day" including posts that highlight the City's efforts to improve the health of Mercer Island's urban forests and share ideas of how residents can contribute to their own properties.

RECOMMENDED ACTION

Approve Proclamation No. 399 proclaiming the fourth Saturday in October as Arbor Day on Mercer Island.
