Dear Administrator Hamilton,

Representing multiple agencies throughout Washington state, we ask for your support of the state's appeal of the denial for a Major Disaster Declaration due to the devastating windstorms, heavy rainfall, flooding, and mudslides caused by a bomb cyclone Nov. 17-25, 2024.

Financial recovery from this bomb cyclone will help ensure our first responders and emergency personnel can respond to future disasters and continue their vital work in our communities. Without these funds, many local governments will be forced to make choices that leave residents more vulnerable to the ever-increasing threat of natural disasters.

Please support our ongoing recovery efforts by supporting the appeal and urging the President to declare the disaster.

Thank you for your attention to this urgent matter.

Sincerely,
