

MEMO TO CITY COUNCIL

Agenda Topic on the City Council Agenda

From: Miranda Carson, Coordination Planner **Meeting Date:** February 2, 2021
Presenter: Miranda Carson **Estimated Time:** 20 minutes
Topic: ACHD Integrated Five-Year Work Plan Priorities

On November 4th, the City received a letter from ACHD notifying us that work was starting on the FY2021-2025 Integrated Five-Year Work Plan (IFYWP). Annually, the City prepares transportation priority lists for the transportation agencies to consider in their programming and budget processes.

Over the past few months, the Transportation Commission has reviewed the prioritization of roadway and intersection projects and Community Programs (CP) projects (e.g. – sidewalks). The Transportation Commission recommends the attached prioritization.

After Council consideration and approval, the finalized request form will be sent to ACHD. ACHD is requesting all project requests be submitted no later than February 24th, 2021

ACHD has updated an online interactive prioritization tool for use when preparing request lists. This includes the adopted 21-25 IFYWP map which can be found here:
