HEARING DATE: 3/15/2022
 TO: Mayor & City Council
 FROM: Alan Tiefenbach, Associate Planner

 SUBJECT: SHP-2022-0003
 Budget Blinds Subdivision Short Plat
 LOCATION: 1850 W. Everest Ln

I. PROJECT DESCRIPTION

The Applicant proposes a Short Plat to create two (2) buildable lots on approximately 1.76 acres in the C-N zoning district.

II. APPLICANT INFORMATION

A. Applicant/ Representative:

Amanda Wiemiller – KM Engineering – 5725 N. Discovery Wy, Boise, ID 83713

B. Owner:

Quent Blodgett – 3230 N. Eagle Rd. STE 150, Meridian, ID 83646

III. NOTICING

|--|----------------------------------|
| Newspaper Notification | 02/27/2022 |
| Radius notification mailed to properties within 300 feet | 02/28/2022 |

IV. STAFF ANALYSIS

The subject property was annexed into the City in 2002 and zoned R-4 as part of the 354.38-acre Lochsa Falls Subdivision (AZ-02-010, PP 02-009). Per the Lochsa Falls Development Agreement (Instr. 103012598) and CUP-02-012, a conditional use permit was required prior to any commercial development on the lot. In 2004 it was platted as part of Lochsa Falls Subdivision No 12 (FP-04-054), and in 2007 the subject property was rezoned from R-4 to C-N (RZ-06-008). When the property was rezoned to C-N, a Conditional Use Permit Modification was also approved to remove the requirement for conditional use permit approval (MCU-06-008).

The Applicant proposes to subdivide the subject property (Lot 41 Block 49 of the Lochsa Falls Subdivision 12) into a new plat consisting of 2 lots. The northern lot (Lot 2) will be 42,608 sq. ft. in size and is proposed for an 8,100 sq. ft. retail business. The southern 33,916 sq. ft. lot (Lot 1) is proposed for a future commercial lot.

Staff has reviewed the proposed short plat for substantial compliance with the criteria set forth in UDC 11-6B-5 and deems the short plat to be in substantial compliance with said requirements. As required per UDC 11-2B-3, a 35 ft. wide landscape buffer in a common lot has already been provided along W. Chinden Blvd, and there is already a 10 ft. wide residential buffer within a common lot provided along the southern property line as required by the development agreement. A landscape buffer is not required along the eastern property line as this is adjacent to a private driveway, but a 15 ft. wide easement for the north slough lateral is provided in this same area.

Access is shown to be provided by W. Everest Ln, a private road, which parallels the property along the south and east property lines, including access to W. Chinden Blvd. However, W. Everest Ln, along the eastern boundary of the property, is shown to be within the Knighthill Center Subdivision No 1 and 2. The applicant will need to provide proof of cross access to the properties to the east (Lot 3, Block 1 of the Knighthill Center Subdivision No 1 and Lot 6, Block 1 of the Knighthill Subdivision No 2) or configure future site plans for access only from the south. The applicant should be required to dedicate cross access easements from Lot 1 to Lot 2 as a condition of approval of this short plat.

Staff has reviewed the requested short plat proposal and has determined that it meets the criteria for approval per UDC 11-6B-5.

Staff recommends approval of the proposed short plat with the conditions noted in Section VII of this report.
