Every effort should be made to avoid reopening the budget for an amendment. Departments will need to provide back up and appear before the City Council to justify budget amendments. Budget amendments are intended for emergency or mandatory changes to the original balanced budget. Changes to the original balanced budget may cause a funding shortfall.

Re: FY2021 CARES Act Grant - Grant# 3221

Dear Audrey:

On behalf of Idaho Commission on the Arts, it is a pleasure to inform you that Meridian Arts Commission has been awarded a **CARES Act** grant for Fiscal Year 2021. The maximum eligible request at the time of application was \$750. However, we are pleased to report that with the addition of private funds donated for this purpose, we are able to increase your grant award to **\$1,080**.

In Spring 2020, and in response to the COVID-19 pandemic, Congress appropriated CARES Act funding to the National Endowment for the Arts to issue grants in support of the arts across America. A portion of this funding was made available to the nation's state arts agencies, including the Idaho Commission on the Arts, to be distributed as special, one-time grants.

This federal funding is designated to support salaries, fees for artists and other contracted personnel, and facilities costs (e.g., rent, utilities, etc.) It does not require a match. As with all Commission grants, it will require a final report at its conclusion.

Please review the Managing Your Grant brochure. Remember, this grant requires that all printed material credits the Idaho Commission on the Arts and the National Endowment for the Arts. Logos are available on our website. Please also consider writing your legislators and Governor Little to express your appreciation for their support of the arts.

If you have any questions, our Grants Manager will be happy to assist you at (208) 488-7500, or jadee.carson@arts.idaho.gov.

Cordially,

Michael Faison Executive Director
