

Eagle Road Roundabout Landscaping Discussion

City Council Work Session

June 21, 2022

Mike Barton, MPR Parks Superintendent

Roundabout Landscaping Discussion:

- On 11-4-2020, Council approved a cost share with ACHD for interim treatment bark and eventual landscaping in the new roundabouts at S Eagle Rd and Zaldia Dr and S Eagle Rd and E Amity Rd.
- Roundabouts were constructed in 2020/2021.
- The roundabout at S Eagle Rd and E Amity Rd inadvertently received the standard construction finish of a 4-inch layer of rock.
- The roundabout at S Eagle Rd and E Zaldia Dr did not receive the standard finish. We installed a layer of mulch at this location per the cost share.
- Planting plan that can be used in both RABs and the new RAB at Eagle Rd and Taconic was developed.
- FY23 Budget request of \$150,000 to landscape both RABs has been submitted.

Council Discussion/Direction -

- Leave the RABs as they are. Only maintain the RAB at Zaldia.
- Move forward with a Budget Request of \$150,000 to landscape 2 RABs.
- Move forward with a Budget Request of \$75,000 to landscape one or the other RAB.

Thank you!
