

MEMO TO CITY COUNCIL

Agenda Topic on the City Council Agenda

From: Miranda Carson, Coordination Planner **Meeting Date:** August 15, 2023
Presenter: Miranda Carson **Estimated Time:** 10 minutes
Topic: Community Development: ACHD Integrated Five-Year Work Plan 2024-2028 Draft

The ACHD Integrated Five Year Work Plan 2024-2028 initial draft is open for public comment. The intent of this discussion is to make a Council aware of the draft as compared to previous version and City priorities.

Attached is a table of projects as prioritized and submitted to ACHD for the IFYWP 2024-2028 compared to the initial draft we received. The "Initial Draft" column has the information from ACHD (DS="Design", RW="Right Of Way", CN="Construction"), "Advance or Delay" includes whether **construction** of our request was advanced or delayed from the previous IFYWP 2022-2026, and the final column is clarifying information still needed from ACHD.

The full ACHD project webpage is here: <https://engage.achdidaho.org/integrated-five-year-work-plan-ifywp>.

Some highlights from the draft:

- Linder Road Overpass and Widening was advanced.
- There was delay at some phase of 7 projects in the City's Top 10 Roadway and Intersection priorities.
- While Ten Mile at Cherry was scoped, no funding year was assigned to any phase of the project.
- A Community Programs project that would completed sidewalks on McMillan Rd, Goddard Creek to Wild Goose Way has been removed from the plan. This is in our top 3 Community Programs requests.

ACHD's comment deadline is August 16th. A letter commenting on the draft reiterating City Council's approved priorities (approved in February 2023) will be sent to ACHD.
