### Recommended Council Action:

Approval of Construction Contract to Lacy Mechanical, Inc for the Well 18 Water Treatment Facility project for the Not-To-Exceed amount of \$1,883,430.00 and authorize the Procurement Manager to sign the contract and associated purchase order.

### Background:

This contract is the result of formal bid #PW-2138-11027G. This was a re-bid of an earlier bid project in which we only received one bid. This second time we received five (5) bids.

This project is short of funds and will follow an approved Budget Amendment on the Agenda.
