WHEREAS, City is a municipal corporation organized and operating pursuant to Idaho Code Title 50, as amended and supplemented with jurisdiction, authority and police power to regulate and control municipal activities within the City;

WHEREAS, Idaho Code § 67-2332 provides that one or more public agencies may contract with any one or more other public agencies to perform any governmental service, activity or undertaking which each public agency entering into the contract is authorized by law to perform, provided that such contract is authorized by the governing body of each party and that such contract shall set forth fully the purposes, powers, rights, objectives and responsibilities of the contracting parties; and

WHEREAS, DISTRICT and MERIDIAN desire to undertake a cooperative effort to incorporate into the DISTRICT’S road construction projects known as 2021 Residential Capital Maintenance (“Project” or “Project Boundaries”), certain modifications or improvements to City owned facilities, including **replacing and relocating water services and abandoning, installing and relocating fire hydrants**, (collectively, “City Water Improvements”) as detailed in Project no. 519017, to be constructed pursuant to a Change Order to a separately-executed agreement between DISTRICT and the selected Contractor (“CONTRACT”); and

NOW, THEREFORE, in consideration of the foregoing premises, mutual covenants and agreements herein contained, the parties hereto agree as follows:

1. DISTRICT SHALL:

- a. Be the party responsible for executing and administering the construction CONTRACT for the roadway reconstruction and incorporation of the City Water Improvements referenced herein into said CONTRACT by issuance of a Change Order which shall include, *inter alia*, a provision that all work required for the City Water Improvements shall be performed in conformance with the most current edition of the Idaho Standards for Public Works Construction (ISPWC) and the most current City of MERIDIAN Supplemental Specifications to the ISPWC.
- b. Include in the CONTRACT by issuance of a Change Order, a term providing that MERIDIAN will have the right and authority to work directly with the Contractor to resolve any claims relating in any way to the City Water Improvements and that any such claims will be reviewed, approved or denied by MERIDIAN including enforcement of the two (2) year warranty period to be started at the date described in the final acceptance letter from MERIDIAN.
- c. Coordinate with MERIDIAN should any changes be made to DISTRICT's portion of the CONTRACT or work pursuant thereto that does or may impact the City Water Improvements.
- d. Make monthly progress payments and the final CONTRACT payment to the Contractor in conformance with the terms of the construction CONTRACT.
- e. Submit to MERIDIAN a copy of each design consultant billing attributable to the City Water Improvements if applicable and Contractor progress payment estimate, and the final CONTRACT payment estimate, as such estimates are approved by DISTRICT after obtaining MERIDIAN'S concurrence regarding MERIDIAN'S portion of the CONTRACT, together with an invoice for MERIDIAN'S share of the construction CONTRACT costs earned by and to be paid to the Contractor.
- f. As applicable, provide for the reference and replacement of all pre-existing survey monuments within the Project.
- g. Provide the field survey and grade control necessary for construction of the roadway. Centerline or offsets and stationing shall be established prior to the City staking any sanitary sewer or potable water service lines, water valve boxes, manhole locations, and other City facilities.
- h. At the conclusion of the Project, submit to MERIDIAN written documentation of expenditures with an invoice for payment of all costs and expenses the DISTRICT incurs, in addition to those provided under paragraph 1.e. above, as a result of the additional work attributed to the City Water Improvements within the Project Boundaries, including but not limited to, costs or changed conditions, plan errors and

omissions, and delays attributable to design and/or installation of the City Water Improvements.

- i. Indemnify, save harmless and defend regardless of outcome, MERIDIAN from expenses and against suites, actions, claims or losses of every kind, nature and description, including costs, expenses and attorney fees caused by or arising out of any negligent acts by DISTRICT or DISTRICT'S officers, employees, agents or contractors while acting within the course and scope of their employment, which arise from or which are in any way connected to the City Water Improvements. Such indemnification hereunder by DISTRICT shall in no event cause the liability of DISTRICT for any negligent act to exceed the amount of loss, damages, or expenses of attorney fees attributable to such negligent act, and shall not apply to loss, damages, expenses or attorney fees attributable to the negligence of MERIDIAN. This duty to defend, indemnify and hold harmless is subject to the limitations of Idaho law, including Article VII Section 4, Idaho Constitution and Idaho Code Title 6 Chapter 9 (the Idaho Tort Claims Act), and to any other limitations set forth in the Agreement.

2. MERIDIAN SHALL:

- a. Provide the inspection, field survey and grade control required for the installation of all City Water Improvements incorporated into the Project and installed and adjusted under the CONTRACT and provide copies of appropriate tests and construction diaries to the District Project Representative as designated by DISTRICT.
- b. Provide DISTRICT with the red lined plans (or pursuant to Paragraph 1.e. pay the DISTRICT the actual cost if the DISTRICT'S design consultant prepares the same) for the City Water Improvements to be incorporated into the Project for the CONTRACT (all work required for the City Water Improvements to be performed in accordance with the most current edition of the Idaho Standards for Public Works Construction (ISPWC), the City's Supplemental Specifications to the ISPWC, and the City's Revisions to the Standard Specifications).
- c. Remit to DISTRICT, within thirty-five (35) calendar days after the date of any invoice referenced in paragraph 1.g., all funds for which MERIDIAN is responsible pursuant to the approved progress payment estimate and the final CONTRACT payment estimate.
- d. Remit to DISTRICT, within thirty-five (35) calendar days after the date of invoice referenced in paragraph 1.j., all funds for which MERIDIAN is responsible pursuant to this Agreement.
- e. Reimburse DISTRICT five percent (5%) of MERIDIAN'S construction costs attributable to the City Water Improvements as payment toward the additional costs incurred by DISTRICT, including overhead and benefits, and project administration costs which include but are not limited to: public advertisement of the Project, supplying bid plans, supplying construction plans, preparing and holding the

preconstruction meeting, generating monthly pay estimates and paying the Contractor, preparing change orders, general construction project oversight, and maintaining construction project files.

- f. Reimburse DISTRICT for mobilization, traffic control, flagging, detours and weekly meetings on a prorated basis. The prorated basis for the above items will be calculated using the percentage of MERIDIAN'S project costs as they relate to the total project construction costs.
- g. Provide (at City's sole costs) trench compaction testing for the City Water Improvements from one-foot (1') above the pipe zone to sub-grade of the roadway section; trench compaction testing shall be provided at the minimum frequency rate of one (1) test per one thousand (1,000) lineal feet, minimum one (1) for every three (3) transverse trenches; provide all re-testing required in any area that does not meet CONTRACT requirements; and provide copies of tests for the area along the alignment of the pipeline to the designated DISTRICT representative.
- h. Be liable for the cost of repairing any trench failure attributable to the City Water Improvements within the Project Boundaries, and be liable for and indemnify, defend and hold DISTRICT harmless for any and all costs, claims, and damages resulting from any such trench failure.
- i. Reimburse DISTRICT for any additional costs to DISTRICT over and above costs specifically enumerated herein, where such costs are attributable to the installations, adjustments, relocations and abandonments of the City Water Improvements or to the removal of any or all items from the CONTRACT that are associated with the installation of the City Water Improvements.
- j. Indemnify, save harmless and defend regardless of outcome, DISTRICT from expenses and against suites, actions, claims or losses of every kind, nature and description, including costs, expenses and attorney fees caused by or arising out of any negligent acts by MERIDIAN or MERIDIAN'S officers, employees, agents or contractors while acting within the course and scope of their employment, which arise from or which are in any way connected to the City Water Improvements. Such indemnification hereunder by MERIDIAN shall in no event cause the liability of MERIDIAN for any negligent act to exceed the amount of loss, damages, or expenses of attorney fees attributable to such negligent act, and shall not apply to loss, damages, expenses or attorney fees attributable to the negligence of DISTRICT. This duty to defend, indemnify and hold harmless is subject to the limitations of Idaho law, including Article VII Section 4, Idaho Constitution and Idaho Code Title 6 Chapter 9 (the Idaho Tort Claims Act), and to any other limitations set forth in the Agreement.
- k. Work directly with the Contractor to resolve any claims relating in any way to the City Water Improvements; any and all such claims will be reviewed, approved or denied by MERIDIAN and MERIDIAN shall indemnify, save harmless and defend regardless of outcome, DISTRICT from expenses and against suites, actions, claims or losses of every

kind, nature and description, including costs, expenses and attorney fees caused by or arising out of any and all such claims regardless of the outcome of the City's efforts to resolve said claims with the Contractor.
