

MEMO TO CITY COUNCIL

Request to Include Topic on the City Council Agenda

Topic: Approval of Sole Source for Trojan Technologies UV Lamps

Recommended Council Action:

Approval of Sole Source equipment procurement for Trojan lamps for the UV 3000 system from Trojan Technologies. The compatibility of equipment and parts are the paramount consideration and Competitive solicitation is impractical, disadvantageous or unreasonable under the circumstances.

Background:

The manufacturer provided a lifetime disinfection guarantee on the system, only if Trojan bulbs are used. Therefore this sole source is required as the compatibility of equipment and parts are the paramount consideration per Idaho Statute 67-2808(2)(a)(ii).
