RE: Draft Strategic Master Plan for Lakeview Golf Course

We are bringing forward a presentation and discussion on the draft Master Plan for Lakeview Golf Course that has been prepared by the National Golf Foundation. The plan and presentation are centered around four primary focus areas – management structure, capital improvement plan, playing fees and the food and beverage service. In addition to the public/stakeholder engagement the draft plan has been discussed with the Parks and Recreation Commission and the Golf Course Focus Group. We look forward to presenting the findings and having a discussion with the Mayor and Council regarding the process and content of the plan.
