

MEMO TO TRANSPORTATION COMMISSION

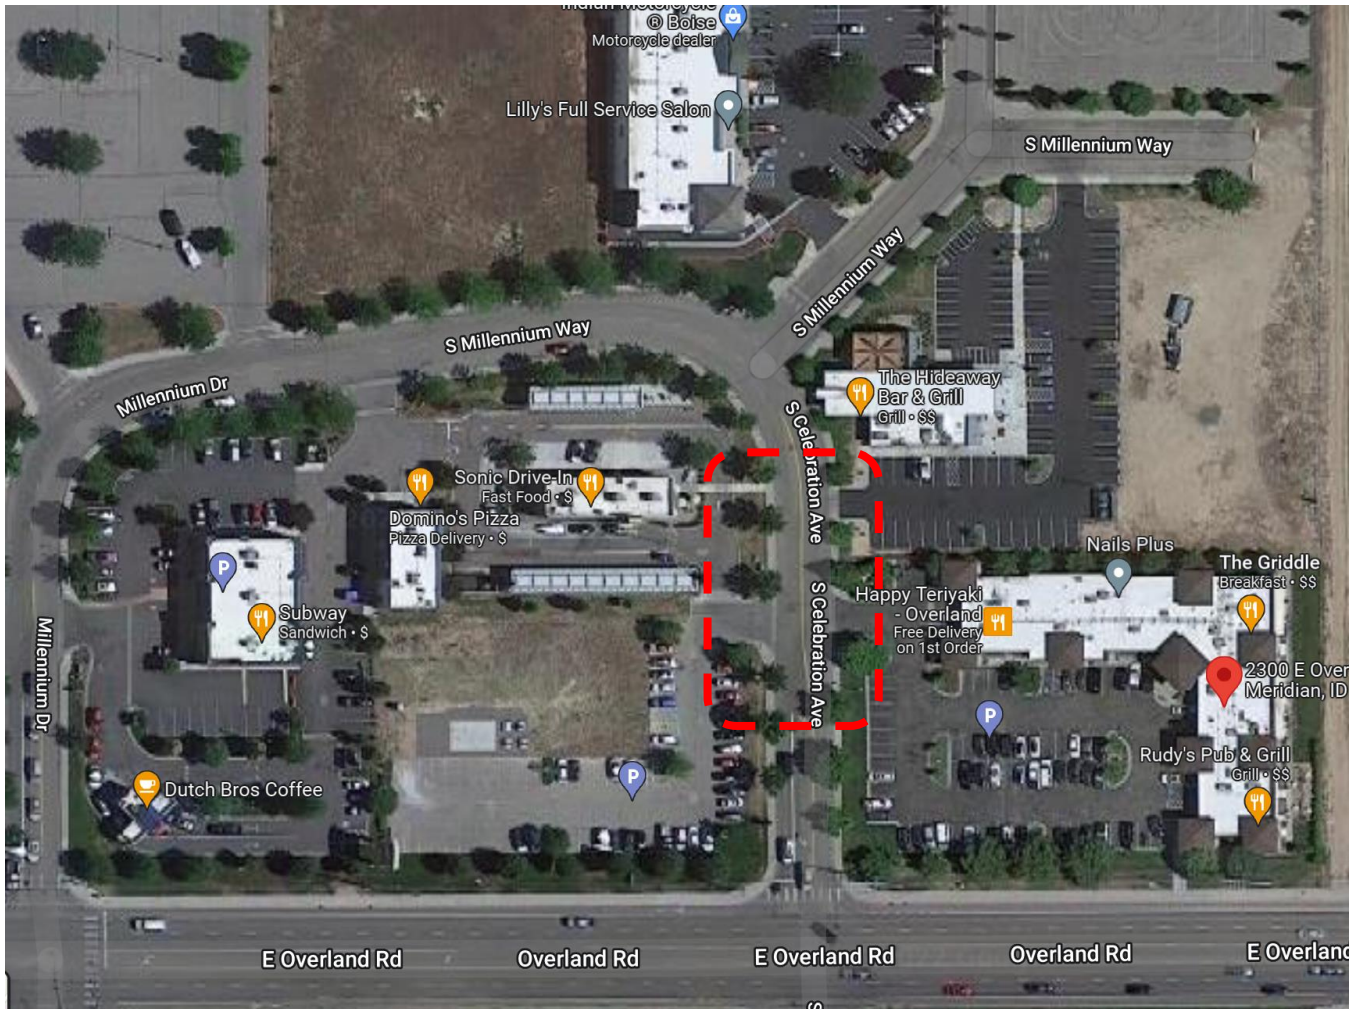

Agenda Topic on the Transportation Commission Agenda

From: Miranda Carson

Meeting Date: December 5, 2022

Topic: Celebration Development Requests

Council would like the Transportation Commission to discuss the potential to reduce the speed limit on Celebration Avenue, which is a loop road with Millennium and Cinema across from Mountain View High School, and put in a cross-walk at/near the southern entrance at Sonic/Celebration (circled in red dash below). There are cross-parking agreements in this area between the businesses and even more foot traffic coming that they think justify this request.

A representative of the business may be available at the meeting to answer questions.
