

MEMO TO MAYOR & CITY COUNCIL

From: Caleb Hood, Deputy Director Community Development and Brian McClure, Long-range Planning Supervisor
Topic: DRAFT ACHD 2026-2030 Five Year Plan, Summer Update Review
Meeting Date: September 2, 2025

Introduction

On August 13, 2025, the Ada County Highway District Board of Commissioners approved release of a draft of the FY2026-2030 Five Year Plan (FYP) for public review and comment. The FYP contains roadway, intersection, bridge, maintenance and other capital transportation improvements ACHD intends to complete over the next five-to-seven years. As part of the Commission review, they noted that the FYP includes consideration for:

- Project cost escalation;
Programming focus on accelerating high-ranked partner requests into construction years
- Review of projects for compliance with new State laws;
- \$19.8 million in strategic initiative funding;
- \$18.4 million in federal funding (Build Grant); and
- DOES NOT include higher impact fees from the *draft* Capital Improvement Plan.

The attached spreadsheet shows the City's 2025 priorities and how they fared in the development of the ACHD 2026-2030 FYP. This spreadsheet was received by the City on August 22, 2025 and was shared with the Meridian Transportation Commission (TC) which will be reviewing and discussing during a special meeting on August 28th. City Staff will carry-forward comments, concerns or commendations the TC has to the Council during the September 2nd workshop.

Request

City Staff requests the Mayor and Council's review of the project status as proposed by ACHD for the FYP (see attached spreadsheet). If Council deems appropriate, Staff will prepare a letter from the City to ACHD, commenting on the FYP. **ACHD has requested that comments be received by September 10th.** It is anticipated that the ACHD Commission will review public comment on October 8th and approve the FYP on October 22nd.
