DISCUSSION ITEMS

2. **Recommend:** Framing and Propose Alternate Locations for Remsberg Art
The proposed location has been approved and the three works will be hung together on a wall on the first floor to the right of the front desk, just outside the council chambers.
Frames: float frame- \$ 928.98 Traditional frame- \$ 514.47
Committee members in agreement that investing in the float frame is worth it. The price is within the proposed budget for framing and there was concern that the lip of a traditional frame would cover up about ¼ inch all the way around the image.
All committee members agreed that the float frame would look better visually and

not cover up any of the painting.

B. King moves that the float frames are purchased for the three Remsberg paintings

4. **Updates:** Public Art Projects in Progress: Homecourt Mural, Chateau Park Sculpture, Linder Road Median Sculpture, Community Center Art Planning
