

# MEMO TO TRANSPORTATION COMMISSION

---

**From:** Caleb Hood, Community Development

**Meeting Date:** August 3, 2020

**Presenter:** Caleb Hood

**Estimated Time:** 5 minutes

**Topic:** September Meeting Status

---

## **Recommended Action:**

Discuss whether to cancel the September 14<sup>th</sup> meeting, hold a “traditional” meeting or do a mobile meeting.

## **Background:**

Historically, the Transportation Commission has used its September meeting to do a tour. In the past, we’ve visited the ACHD Traffic Operations, seen Harvest Transit’s operations and ridden public transport to tour VRT stations. This year, due to COVID, gathering everyone together and traveling does not seem appropriate. Does the Commission want to have a “regular” meeting on September 14<sup>th</sup>, cancel, or do a mobile meeting or tour? If the latter, please provide ideas.
