John Overton
Jessica Perreault
Luke Cavener

MEMORANDUM

TO: Mayor Simison and City Council

FROM: Mike Barton, Parks Superintendent

DATE: June 12, 2023

RE: Net Zero Budget Amendment

Background

Gene Kleiner proposed an idea of adding flowering Cherry trees to Kleiner Park. We've been working with Mike Kleiner on quantity, location, and cost. A total of 15 trees would be planted at two locations. The locations Mike Kleiner approved are around the Gene Kleiner statue (this requires replacement of existing Honey Locust trees) and around the Memorial Plaza near the Senior Center. Mike Kleiner has agreed to fully reimburse the City for the cost of this project.

Council Action:

Approve a net zero budget amendment in the amount of \$13,000 to add flowering Cherry trees to Kleiner Park.
