

MEMO TO CITY COUNCIL

Request to Include Item on the City Council Work Session Consent Agenda

From: Steve Siddoway, Parks & Recreation Director
William L. M. Nary, City Attorney/Risk Manager

Meeting Date: April 9, 2024

Topic: Second Addendum to Interagency Governmental Agreement for Waiver of Costs and Fees Between the City and West Ada School District

Recommended Council Action:

Approve the Second Addendum to Interagency Governmental Agreement for Waiver of Costs and Fees ("Second Addendum").

Background:

The City and West Ada School District ("District") entered into an Interagency Governmental Agreement for Waiver of Costs and Fees ("IGA") in 2019. The IGA was subsequently amended in 2021 ("First Addendum"). The City and District now wish to amend the IGA again to explicitly state that, under Idaho law, the City and District have the power to convey real and personal property to each other. The District requested the Second Addendum, in part, to facilitate the potential conveyance of District-owned land to the City. The City Council will likely consider the acquisition of that land, which is located adjacent to Settlers Park, at its regular meeting on April 23, 2024.
