CITY CLERKS OFFICE

Hello Mr City Clerk,

My name is Tammy Blair I own my home at 1932 E Three Bars Drive, Meridian Idaho 83642

I received a letter in the mail from this Todd Koehler that I am in a violation, I have never heard of this kind of thing, He asked that I cut down my trees and I did. I thought it was over and now I receive another letter saying I am still in violation? I am a single woman I have to work to pay my bills and come here today losing money is not fun.

He came over and I was not home, He still went in my back yard which I am NO HAPPY about.

I hope these pictures and the bill tells you I did what was asked of me, the 2 trees were going into neighbors back yard. Now they are not.

Thank you so Much,

Tammy Blair
