**MEMORANDUM**

TO: Mayor Robert Simison and City Council

FROM: Garrett White, Recreation Superintendent

RE: Community Center Design Update

**Background**

Staff has been working with ZGA Architects on programming and schematic design of our new Community Center and park expansion, which produced an efficient layout with attractive components and ample parking. We have now transitioned into design development. During the design development phase we are putting a finer point on the layout, finishes and identifying areas for improvement, and incorporating ideas to save costs. This presentation is centered around the project design.

**Council Action**

No Council action at this time. We are requesting comments and feedback on the proposed design of the Community Center and Park expansion.
