

MEMO TO TRANSPORTATION COMMISSION

Agenda Topic on the Transportation Commission Agenda

From: Miranda Carson

Meeting Date: January 9, 2023

Topic: IFYWP City Project Prioritization

Annually, the City prepares and prioritizes a list of transportation projects within our community for the transportation agencies to consider in their programming and budget processes. The Meridian Transportation Commission (TC) is tasked with making recommendations to the City Council on these priority transportation projects.

The Transportation Commission discussed and got the Roads and Intersections list to substantial completion in the December meeting, we will discuss this list briefly. The goal for this meeting will be to get the recommended Roads and Intersections and Community Programs prioritization lists to finalized to be presented to City Council later this month.

I have attached a map of the Community Programs requests and a table of all the requests.

New this year, ACHD will have the public comment period open November-January. Those mapped comments can be found here as they are submitted: <https://engage.achdidaho.org/integrated-five-year-work-plan-ifywp/maps/commenting-map-integrated-five-year-work-plan>
