Brian,

I just wanted to let you know that the ACHD Traffic Engineering Department has opened an investigation and will evaluate the results for marked crosswalks at Ms. Rice's requested locations.

Thanks,
Kendall

Caution: This is an external email and has a suspicious subject or content. Please take care when clicking links or opening attachments. When in doubt, contact your IT Department

Hello Karen,

Thanks for sharing your pedestrian and bicycle safety concern. From the City's end of things, what I can do is include this request in the City's February 2nd Transportation Commission (TC) agenda packet, as part of the staff

communication section. The Commission may ask questions, and it could then be scheduled for the March meeting for additional discussion and possible recommendation. Please note that because ACHD is the transportation authority, they will ultimately decide whether improvements are warranted.

The February TC agenda will be posted at the following link later tomorrow. The packet at the same link will include all attachments including this e-mail, under Staff Communication.

https://apps.meridiancity.org/CLERKSCONTENT/meridian_agenda_minutes.aspx#TRANSPORTAM

Please let me know if you have any additional questions. Thanks!

Brian McClure

Dear Edinson, Brian and Kendall,

Woodbridge subdivision, 2000 E Woodbridge Dr., Meridian ID, would like to request that the city puts in crosswalks on the following streets:

Woodbridge & Crosstimber

Woodbridge & Thornwood (2 at this location as it's a 3 way intersection)

Woodbridge & S Beam

The amount of traffic we see in our subdivision and the continual growth around us has us boxed in and we are hopeful that adding crosswalks will increase the safety of our busy subdivision for our children, bikers, pedestrians and those walking their dogs. If additional information is needed, please feel free to reach out. If this is possible, we are open to crosswalks or the crosswalks with flags. Our area is prepared for crosswalks, as the sidewalks have slopes on each side. We simply need the crosswalks painted and anything else to ensure ADA compliance.

Thank you for working with us to try to ensure the safety of all in our neighborhood. If you reply-all to this email, all members of our board will receive the communication.

Best,

Woodbridge HOA Board
