#### D. Notice of Applicable Time Limits

##### Notice of Preliminary Plat Duration

Please take notice that approval of a preliminary plat, combined preliminary and final plat, or short plat shall become null and void if the applicant fails to obtain the city engineer's signature on the final plat within two (2) years of the approval of the preliminary plat or the combined preliminary and final plat or short plat (UDC 11-6B-7A).

In the event that the development of the preliminary plat is made in successive phases in an orderly and reasonable manner, and conforms substantially to the approved preliminary plat, such segments, if submitted within successive intervals of two (2) years, may be considered for final approval without resubmission for preliminary plat approval (UDC 11-6B-7B).

Upon written request and filed by the applicant prior to the termination of the period in accord with 11-6B-7.A, the Director may authorize a single extension of time to obtain the City Engineer's signature on the final plat not to exceed two (2) years. Additional time extensions up to two (2) years as determined and approved by the City Council may be granted. With all extensions, the Director or City Council may require the preliminary plat, combined preliminary and final plat or short plat to comply with the current provisions of Meridian City Code Title 11. If the above timetable is not met and the applicant does not receive a time extension, the property shall be required to go through the platting procedure again (UDC 11-6B-7C).

A development agreement may be modified by the city or an affected party of the development agreement. Decision on the development agreement modification is made by the city council in accord with this chapter. When approved, said development agreement shall be signed by the property owner(s) and returned to the city within six (6) months of the city council granting the modification.

A modification to the development agreement may be initiated prior to signature of the agreement by all parties and/or may be requested to extend the time allowed for the agreement to be signed and returned to the city if filed prior to the end of the six (6) month approval period.
