To Whom it May Concern:

The purpose of this letter is to request to connect to City water services “outside of” Meridian City limits for the property located at 4495 S. Meridian Road, Meridian, Idaho, Parcel #R4622730070. This request is in relation to our plans to construct a 4,500sf addition to the exiting Adventure Church.

Use of the Addition: The facility will be used to conduct church worship services. Hours of church services will be Sundays from 9:00am till 12:00pm and Wednesday evenings from 6:30 till 8:00pm. The number of worshipers will range from 76 to 110 with no more than 5 employees during the largest shift.

Sewer & Future Annexation into City Limits: Initially, we reached out to the City to hook up to the city sewer system...thinking the new Stapleton subdivision was our north boundary. We then learned that the property’s north boundary is just short of City limits by a 10’-to-20’ strip of land. We have not been able to purchase or acquire an easement for this strip of land. Hence, we are unable to hook up to the City sewer system.

Water Source: In discussion with Central District Health Department, they will approve our plan to add an additional septic tank to the existing system providing we can connect to the City’s water system for fire suppression and domestic water. We are requesting to connect to Meridian City water services “outside of the city limits” for the purpose of fire suppression and domestic water as required by Central District Health Department. We agree to comply with all City policies and requirements that will be asked of us to connect to City water services.

We look forward to being annexed into Meridian City limits and it is our understanding with the development of the adjacent property (south of the property), another access will be provided to the property, eliminating direct access to Meridian Road. With annexation we agree to connect to the City’s sewer system as soon as available, will comply with all policies & requirements for sewer connection, and; we willing forfeit direct access to Meridian Road knowing we will be allowed access through the development of adjacent property.

Sincerely,
