RE: Lakeview Golf Course 2023 Fee Schedule

Background:

On 12-6-22, we had a discussion with Council requesting certain changes to the fees we charge at Lakeview Golf Course. These changes are listed below. We received direction from Council to notice and bring these fees back with a resolution for adoption. On the following page you will find our current fee schedule along with the proposed new fee schedule.

New/Adjusted Fees:

- Trail Fees – This is the fee charged for using your own cart or using the course carts an unlimited number of times.
 - Proposal – Reduce the “use your own cart” trail fee by 50% from \$580 to \$290. Using the course carts would remain unchanged.
- Annual Passes
 - Proposal - Institute a new “non-resident” fee of 10% added to all pass categories.
- Winter Rates – The current price reduction for winter play does not discount all groups.
 - Proposal – Reduce rates \$4 per 18 hole and \$2 per 9 holes from 11-15 to 2-28 across all offerings.
- Greens Fees
 - Increase all greens fees (except passes) by 4%.
- Cart Fees
 - Increase cart fees by \$2 per 18 holes and \$1 per 9 holes per player.
- Range Fees
 - Increase fees for large and small buckets of balls by 10%.

The Private Cart Trail Pass is a reduction of price. Upon adoption of this fee, refunds will be given to those customers who have already purchased this pass at \$580.
