Dear Officer Rodriguez,

On behalf of the Idaho State Elks Association-Drug Awareness Commission, we are pleased to inform you that you have been selected as the 2024-2025 Enrique "Kiki" Camarena Award recipient for the State of Idaho. This prestigious award is given to a person in law enforcement that exemplifies the qualities and principals that DEA Special Agent Camarena lived every day and ultimately gave his life for.

Your work in promoting healthy choices and creating a supportive environment for our leaders of tomorrow has been recognized by your community. Your role as a School Resource Officer is one of the most rewarding while also being a difficult position. Working with many children as you do on a day to day basis and earning their trust as you interact with them is a gift that not all people possess. Your peers and colleagues recognized these qualities and were instrumental in your nomination for this award.

You and your Mrs. Rodriguez will be our guests at the ISEA Summer Convention June 6th in Wallace, Idaho where you will receive your award.

We are all very proud of you and delighted to make this announcement.

Respectfully,

Susan Stertz-ISEA Drug Awareness Chairman
