

MEMO TO CITY COUNCIL

Request to Include Topic on the City Council Consent Agenda

From: Laurelei McVey, Public Works **Meeting Date:** January 4, 2022
Presenter: NA **Estimated Time:** NA
Topic: Agreement Between the City of Meridian and Adler/Grand Jr for Use of Reclaimed Water for Landscape Irrigation at the FedEx/Amazon Buildings on Franklin Rd.

Recommended Council Action:

Move to authorize the Mayor to sign the Reclaimed Water User Agreement.

Background:

The FedEx and Amazon buildings exist within the City's current established reclaimed water service area. A reclaimed water service has been installed to feed these parcels with reclaimed water. The property owners desire to use the City's Reclaimed Water to irrigate landscaping.

The City's Reclaimed Water Permit requires that a User's Agreement be developed between any user of the City's reclaimed water and the City. This agreement, negotiated between Adler AB Owner XI, LLC and Grand Jr, LLC and the City (Laurelei McVey, Public Works) is the standard City reclaimed water user agreement utilized by all current reclaimed water users that outlines roles and responsibilities related to the delivery and use of reclaimed water.

Questions related to this agreement should be directed to Laurelei McVey, Public Works, lmcvey@meridiancity.org, 208-985-1259.
