Typical Condition Statement

Odometer, equipment, trim level and condition must all be carefully considered on this vehicle. The vehicle's typical odometer and condition is based on comparison of dealer and private party vehicles of the same year, vehicle type and state/province. The average miles driven for this vehicle is 68,019. Numerous descriptions have been described within each condition sub-category rating and are separated by a period. Each description is meant to be independent, but can also be interpreted as an "and/or" statement.
