

MEMO TO CITY COUNCIL

Request to Include Topic on the City Council Workshop Agenda

From: Laurelei McVey, Public Works **Meeting Date:** August 23, 2022
Presenter: Laurelei McVey, Public Works **Estimated Time:** 5 minutes
Topic: Public Works Week – Sponsor Proceeds Donations

Recommended Council Action:

No official action required.

Background:

As part of the annual Public Works Week celebration, sponsor donations are collected to help defray some of the cost for various events. This year we were successful in bringing back the Public Works Week Expo event which was a great success with an impressive turnout. As we have done in the past, after covering our expenses with the generous sponsor donations, we are excited to share the remainder of these proceeds with several of our community organizations:

- Meridian Food Bank
- Parks' Department Care to Share scholarship program
- SWAC Community Recycling Fund

We know these funds will be helpful to each of these agencies in fulfilling their charitable missions in our City.
