RE: Interagency Cooperative Development Agreement

The attached Cooperative Development Agreement (CDA) between the Brighton Development Inc., ACHD, and the City is for the widening of Lake Hazel Road from Locust Grove Road to Eagle Road. When finished, Lake Hazel Road will be fully constructed to five (5) lanes with curb/gutter and sidewalks. In addition to that segment of roadway, the intersection of S. Recreation Avenue and Lake Hazel Road will be signalized, and S. Recreation Avenue will be constructed to the south boundary of the Public Safety parcel. The construction of the aforementioned intersection and section of S. Recreation Avenue would have fallen to the City to construct as part of the development of Discovery Park and the Public Safety facility but is now covered under this agreement. This agreement has been reviewed by Legal, Fire, Police, and Public works.

We are respectfully requesting approval of the attached agreement.
